NEIGHBORHOOD NEWS FEBRUARY 2018

"Dedicated to the Sharing of News and Information Concerning our Neighborhood, Schools and Community"

Fighting the **Opioid Epidemic**

As Commander of the Phoenix Police Department's Drug Enforcement Bureau, I know how damaging the Opioid Epidemic is to our city. Every day, people abusing prescription medications or using illegal drugs are overdosing and dying in our community.

The Phoenix Police

Department urges people using prescription medications to work closely with their doctors and follow their treatment plans only as prescribed. Illegally purchasing medications or drugs is extremely dangerous. There are numerous counterfeit medications and illegal street drugs that are being sold as one thing, but contain a number of different chemicals that have created overdose deaths around our state and in our city. We urge those at risk individuals to seek assistance from any reputable treatment facility before another life is lost. Medication return boxes are available at all Phoenix Police Precincts to help properly dispose of unused medications.

Aaron Thomas, Commander Drug Enforcement Bureau

What we have seen in Phoenix Illicit pills being sold as oxycodone hydrochloride are containing more than fentanyl. The Phoenix Police Crime Laboratory has identified a variety of compounds in illicit pills seized within the city. Some of the additional compounds include: heroin; cocaine; lidocaine, a medication used to numb tissue; fentanyl; acetyl fentanyl, a chemical similar to fentanyl with a potency 5 to 15 times of heroin; and tramadol, a synthetic opioid added to enhance the effects of fentanyl. The additional compounds added to the counterfeit pills are use to either assist in the binding of the substances during production and/or to enhance the effects of the drug. These pills are stamped with pill identifier markings and to the untrained eve look identical to a pharmaceutical product. These

chemical compounds can potentially

be lethal or harmful to the consumer.

Our third grade classrooms would like to extend a thank you to the North Phoenix Kiwanis Club for donating dictionaries to every third grade student. A Kiwanis representative visits with each classroom to meet with students and personally hand out the dictionaries in this annual event!

Did you know that bagging your recycling is not the proper way to recycle? When recycling at home, please make sure you are placing your recyclables

loosely in your curbside or alley container. Taking this extra step will ensure your recyclables are easily sorted by staff and machines at our city recycling facilities. Visit Phoenix.gov/Recycle for details about how to recycle right.

A NEIGHOR'S QUEST FOR SAFETY

Over the last six months, myself, my wife and neighbors in and around Cholla have been working with the city of Phoenix to install speed cushion (bumps) between 43rd Ave and 39th Ave on Cholla. 10 years ago this coming April we witnessed the death of a six year old girl, Nikki Simonson, who was hit and killed in front of our house. Since then we have witnessed reckless driving and speeding. Most agree that there is a need for these speed cushions to slow down the speeds that at times have been recorded above 50 MPH (in a 25MPH zone).

We have gone through the studies necessary and the neighborhood signature processes needed for approval of the speed cushions. My wife and I gathered the necessary signatures required by the city to install these speed cushions and we have also sent a check to cover the cost of these speed cushions. During this process, we learned from our neighbors that this need has been tried before without success.

Our goal is to have these installed in order to make our neighborhood safe for all who live here. We are currently waiting to hear back from the city for approval and for the next steps.

I share this information because the need has been apparent for years. We have lived here for over 25 years and decided that if you want something done, you sometimes have to do it yourself. We also found that we have a pretty good bunch of neighbors that acknowledged our efforts as something good and long needed.

If you have any questions or comments, I can be reached at 602-670-5246. Jerry Kinder

Honoring Outstanding PHX Youth

The city of Phoenix Youth and Education Office is now accepting applications for the 2018 Outstanding Young Man/Young Woman of the Year awards. The program recognizes the amazing achievements of young people, enhances the perception of youth and raises awareness of their positive contributions. This program is open to all high school students currently enrolled in Phoenix or who live within Phoenix's city limits. One young man and one young woman will be selected as winners from each city council district and receive an award of \$500. In addition, each district-level winner will be eligible for an additional \$1,500 award if they are selected as the citywide winners. The deadline to apply is 5 p.m. on Monday, Feb. 19. Learn about the requirements to apply at Phoenix.gov/Education.
