RE: Friendly Reminder

Dear Seven Pines Island Residents:

The Board would like to remind you all to please be courteous to one another by keeping up with your pets. City Ordinance 642 subsections B and C states: "Whenever an animal defecates upon any property not owned, leased, rented, or otherwise in the care, custody, or control of the animal's owner, the animal's owner shall immediately remove and properly dispose of feces. The only exception is by permission of the property owner. An owner shall remove and properly dispose of feces and other animal wastes on owner's property so as to avoid noxious and nauseous odors that are irritating, annoying or offensive to a person of normal sensibilities; or that are injurious to human, plant or animal life; or that reasonably interfere with the use and enjoyment of property."

Also, please be sure that all pets are kept on a leash while out on walks. Additionally, please make sure you pick up after your pet in an effort to help keep Seven Pines Island a beautiful place to live. We thank you in advance for your cooperation and hope you all have a great spring!

Sincerely,

Mrs. Jarnu
