Help Clean Up Graffiti in Your Neighborhood

During February, the city of Phoenix Neighborhood Services Department hopes you'll take advantage of its

"Graffiti Free Phoenix" program. There are two ways to participate:

1) Call Graffiti Busters, who after getting permission from the property owner, will remove the reported graffiti. Then the property owner will receive color-matched paint to use. 2) Free paint and supplies will be provided to any group organizing a community cleanup to wipe out graffiti. Spread the word by using #GraffitiFreePHX on your personal and neighborhood social media sites.

For more information, or to request graffiti-removal supplies, call 602-534-4444.

GOT A WATER LEAK?

Did you know ... the average Phoenix household with water leaks accounts for more than 10,000 gallons of water wasted every year? And, ten percent of homes

it.

have leaks that waste 90 gallons or more per day!

You can do your part by joining Phoenix Water and the Environmental Protection Agency in the 10th annual Fix a Leak Week, Mar. 19-25. Do your part to be Phoenix WaterSmart by finding and fixing leaks that could be draining your budget. Learn more about water conservation at Phoenix.gov/Water.

Arizona leads the *nation* in the number of children per capita in group or shelter care.

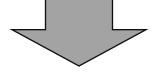

The foster care issues in Arizona are multifaceted and delicate. With the number of children in need of temporary homes on the rise, the number of available homes declining, and the funding and support as a whole falling incredibly short of the mark, you can choose any aspect to focus on and help to make improvements. In a word, it is complicated, but here at Foster Hope, we feel that "complicated" issues should be fixed by adults. We believe that the innocent children affected by these complications, ones far out of their control, should be able to enjoy as normal and happy lives as possible. Our and your contributions can assure success for many of these children. We have amazing current and future plans to help, and you can be a part of

Dear friend of Keep Kids Alive Drive 25.8 This morning I met Zach, a father who shared that his family could never get his dad to wear a seat belt - that is, until his grandchildren were born. They were the mo- tivation to get him to buckle up. The simple lesson is that relationships matter. When it comes to our behav- iors as motorists, passengers, cyclists, and pedestrians,	 self preservation on and along roadways is all about answering two questions: Who do I love? Who loves me? Your answers to these questions will always be the best reasons to slow down, observe all traffic signs and sig- nals, buckle up, practice space management, <u>set aside</u> <u>all distractions</u>, and to not drink and drive. In short, <u>practice the better</u>. Someone you love is waiting for you. Your generosity made all of this, and much, much more possible. Thank you. Moon Valley Tax Credit

Your contribution costs you nothing and will immediately go to support the high school and program of YOUR choice.

The Arizona tax law (ARS 43-1089.01) allows taxpayers a TAX CREDIT on their state taxes.

The TAX CREDIT maximum contributions are:

- \$400 for married couples filing joint returns .
- \$200 for single individuals and head of household
- \$200 for married couples filing separate returns.

It is NOT a requirement that the taxpayer have a child enrolled in a public school to donate. *100% of your donation comes back to you on your state income tax return, up to the donation limit of \$200 for individuals and \$400 for married taxpayers filing jointly.

Chalk Art - The Tradition Continues Posted on 2018/02/26

Art 3-4 and Advanced Art students created chalk drawings by the administration building this past week. Former art teacher, Mr. Smith began the tradition of producing an elaborate pastel rendering of a subject on the sidewalk

for all students to appreciate. Mrs. Dorsey, the current art teacher, has continued this tradition.

Students first lay out the image with regular white chalk. They then add a base layer of the color desired. As they draw, the chalk creates piles of dust that they press into the cement. They spray the drawings frequently with hairspray. It's important to step back from time to time to see if the drawing is accurate. They use small soft cloths to blend and clean up their errors. This year the drawings were more vibrant than ever. The students worked tirelessly to layer and blend.

The drawings will remain until the summertime when our maintenance crew will power wash them off of the cement. https://moonvalley.guhsdaz.org/ cms/One.aspx?portalId=759065&pageId=42150030

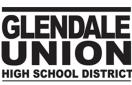

Family STEAM Night 2018

Posted on 2018/02/22

Everyone who attended had a great time at Family STEAM Night, a Parent Engagement Event sponsored by Title I on Wednesday, February 21.

Every activity in which students and parents participated focused on one of the areas of Science, Technology, Engineering, Arts, and Mathematics. Many students and parents commented the highlight of the evening was, "Seeing craters on the moon!" While others enjoyed holding a meteorite found from across the world!

Several student groups volunteered to work at the activity tables: Math Club, Robotics Club, Key Club, Theatre Club, and Student Council. Our FCCLA Culinary students prepared pasta salad and made all of the delicious desserts while STUCO grilled the hot dogs. Finally, this Title I Parent Engagement Event could not happen without all of our Faculty and Staff volunteers!

Community Input Sought on Possible M&O Override Posted on 02/26/2018

The Glendale Union High School HIGH SCHOOL DISTRICT District must hold a special election with approval by the majority

of voters to continue the current maintenance and operations (M&O) budget override. The Governing Board has authorized a Citizens' Committee to review the M&O budget in order to make recommendations on whether or not to call for the election and to recommend program cuts or reductions if the override funding is not continued.

Public presentations are being planned to provide information and to gather input from our community. The format calls for the communities of three schools to gather at one location. While it is preferred that you attend the presentation with your school, if your schedule does not allow for this, please feel free to attend any of the presentations. Your attendance and involvement in this decision-making process is important to the students of our district.

NEWS FROM TUMBLEWEED ELEMENTARY SCHOOL

Tumbleweed Elementary will be celebrating reading and literature during the month of March.

On **March 2nd** we will celebrate "Read Across America Day" now in its 21st year. The event's purpose is to motivate children to read and focus the country's attention on the importance of reading. We have many guest readers coming to share books with all of our grade level classrooms including community volunteers and Washington Elementary School District employees.

On **March 30th** we welcome the beloved children's author Conrad Storad to the Tumbleweed library to meet with several grade levels. He is the author or editor of more than 50 science and nature books for children and young adults . He has been honored with many national awards for his writing and editing. He expertly draws readers into his entertaining tales and helps students understand and appreciate the natural world. Mr. Storad resides in Tempe, Arizona.

NEWS FROM CHOLLA MIDDLE SCHOOL

Read Across America 2018 It's time to break out the infamous red-and-whitestriped, stove-pipe hats and your favorite books because the annual Read Across America celebration is nearly here! Read Across America is cel-

ebrated every year on March 2, Theodor Geisel's birthday - better known to millions as Dr. Seuss. Now in its 21 st year, Read Across America is an annual reading motivation and awareness program sponsored by the National Education Association that calls for every child in every community to celebrate reading on or around Dr. Seuss's birthday. The event's purpose is to motivate children to read and focus the country's attention on the importance of reading. This year's theme is "Grab Your Hat and Read With the Cat." To help us celebrate, the Washington Elementary School District is inviting parents, community leaders and neighborhood partners into the classroom to read to students. If you love to read and enjoy children, then Read Across America is the volunteer opportunity for you. Whether you bring your favorite book or need a book provided for you, we invite you to share your love of reading with our students. For more information, please contact the front office at 602-896-5400

Teacher Interview Fair Continues

The Washington Elementary School District (WESD) hosted a

Teacher Interview Fair on Saturday, November 4, 2017 to hire teachers for the 2018-2019 school year.

The fair will be held from 8:30 a.m. to 12:30 p.m. at the WESD Administrative Center, 4650 West Sweetwater Avenue, Glendale, 85304. Contracts for the 2018-2019 school year will be offered to qualified candidates. Student teachers, soon-to-be college graduates, seasoned teachers and alternative pathways are encouraged to attend!

Thursday, March 15, 2018, 4 to 7:30 p.m. Saturday, April 28, 2018.

Interviews will be conducted for those interested in teaching: kindergarten, elementary education, special education, language arts, mathematics, science, social studies, general music, art and special needs preschool. Successful candidates may be recommended for a 2018-2019 teaching contract.

Apply online prior to the interview fair at <u>jobs.wesdschools.org</u>. Please select the posting titled, Teacher – All Positions. Human Resources will contact qualified applicants directly to preschedule an interview.

REGIONAL NEWS AND INFORMATION VOLUNTEERS COUNT HOMELESS PEOPLE LIVING ON THE STREET

"Point in Time" Count Conducted in January On the frigid dark morning of January 23, 2018, hundreds of volunteers in communities throughout the Valley searched alleys, parks, riverbeds and other areas in an effort to get an accurate count of the number of people experiencing homelessness. The effort was part of an annual "Point in Time Homeless Street Count" designed to provide a snapshot of the number of homeless men, women and children on the streets.

Last year's count showed a slight reduction in the overall number of people experiencing homelessness in the region from 5,702 in 2016 to 5,605 in 2017. However, it also found an increase in the number of individuals and families living in "unsheltered" situations, or on the street, from 1,646 in 2016 to 2,059.

Just prior to the count, the Department of Housing and Urban Development awarded the Maricopa region \$25.8 million for 41 local homelessness programs. Since 1999, the region has been awarded approximately \$400 million to provide permanent housing and services for people who are homeless.

PHX C.A.R.E.S. leads with services to help those experiencing homelessness find long term solutions.

PHX C.A.R.E.S. sends trained outreach teams, that take the time to build rapport and trust with people on the street, to encourage them to accept the services and resources that are offered to help end their homelessness.

Free Tax Help

The city of Phoenix Earned Income Tax Credit campaign helps working families who earned less than \$54,000 in 2017 with free tax preparation and filing services. These services will be available through **Tuesday, Apr. 17**. A list of locations, hours and days of operation are available at <u>Phoenix.gov</u>.

CENTRAL DISTRICT PROJECTS

Interstate 17 Frontage Road Drainage Improvement: Greenway

Road to Peoria Avenue

The Arizona Department of Transportation is planning to construct improvements to the drainage system along Interstate 17 frontage roads between approximately Greenway Road and Peoria Avenue. The purpose of the project is to improve drainage facilities that would remove water from the crossroads at Greenway, Thunderbird, and Cactus Roads and Peoria Avenue and therefore reduce the potential for flooding. The proposed drainage improvements would discharge water to the Arizona Canal Diversion Channel (ACDC).

The existing pump stations located at the northwest corners of the crossroads will be removed as part of this project. Project Schedule

Construction is scheduled to begin in the Spring 2019.

Schedules are subject to change based on weather and other unforeseen factors. If you would like to be notified via email when traffic alerts are issued, please subscribe to receive email notification here:

COMMUNITY INFORMATION

Page 8

CALMING CONCERNS OVER PHOENIX POLICE COVERAGE

Recently, there were concerns raised regarding City of Phoenix Police services. Some information on social media, which was not from the Phoenix Police Department, described areas where police would not respond to, or where there were gaps in coverage. These supposed areas were "outside the seven-mile radius" of the police

precincts. This information is not accurate. There was further speculation that the "seven-mile radius" could be something the Phoenix Fire Department uses for coverage around fire stations.

This is also not accurate. There is no circular radius restricting fire, or police coverage. The Phoenix Fire Department has stations all over the City of Phoenix and coverage overlaps. There is also a mutual aid agreement the city has with neighboring cities, so there will always be coverage throughout Phoenix. Mutual aid agreements could mean that fire apparatus from other cities occupy a City of Phoenix fire station in the event Phoenix resources are dedicated to a major event and additional coverage is required.

The Phoenix Police Department provides comprehensive patrol and investigative police services to the entire City of Phoenix twenty-four hours a day seven days a week. In addition to the Patrol Division, which includes Patrol Officers, Neighborhood Enforcement Officers and Community Action Officers, other police resources patrol and service the entire city. Other patrol support services include Air Support, Motor Traffic Officers, DUI Officers, K9 Officers, and Special Assignments Unit Officers.

The Phoenix Police Department has organized the entire City of Phoenix into Squad Areas and those Squad Areas are organized into Beats. All of these Beats, seven day a week, twenty-four hours a day, have Phoenix Police Officers assigned to them. Multiple times a day these Squad Areas and Beats are covered by more than one squad with overlapping hours.

In addition to the seven main police stations there are 5 significant substations throughout the City. Phoenix Police Officers start and end their shifts from theses main stations and substation. During their shifts, Phoenix Police Officers are in the community responding to calls for service, conducting proactive patrols and engaging the community.

What to take to bed with you

I was sent an email about this: Put your car keys beside your bed at night. If you hear a noise outside your home or someone trying to get in

your house, just press the panic button for your car. The alarm will be set off, and the horn will continue to sound until either you turn it off or the car battery dies. This tip came from a neighborhood watch coordinator.

Next time you come home for the night and you start to put your keys away, think of this: It's a security alarm system that you probably already have and requires no installation. Test it. It will go off from

most everywhere inside your house (Editor: I tried it and mine works from my bedroom)

and will keep honking until your battery runs down or until you reset it with the button on the key fob chain. It works if you park in your driveway or garage.

If your car alarm goes off when someone is trying to break into your house, odds are the burglar/ rapist won't stick around. After a few seconds, all the neighbors will be looking out their windows to see who is out there and sure enough the criminal won't want that. And remember to carry your keys while walking to your car in a parking lot. The alarm can work the same way there. Maybe it could save a life or a sexual abuse crime. Pass this on to everyone you know, it could save a life. This would also be useful for any emergency, such as a heart attack, where you can't reach a phone. Carry your key fob with you in case of a fall outside etc.

CAN YOU HELP OUT AN OLD **NEIGHBOR?**

Jennifer Johnson, mother of five, used to be a member of the CPW neighborhood. Her son Noah is still going to Moon Valley High School. Her daugh-

ter, Shelby Koch has set up a Go Fund Me Page.

A few years back doctors discovered my mom had a blood disorder that made it clot to the point they had to surgically repair her arteries and veins. She is now in her second and last major 16 hour surgery. Her kidney is failing and her right leg is dying.

Any help you can give is greatly appreciated https://www.gofundme.com/4zde62g?
