Valley of the Sun
United Way

PROJECT CONNECT

Gain instant access
to the resources
you need to start
the journey back
to health, financial stability and hous-
ing.

United Way brings together a broad
range of vital health and human ser-
vices to one, accessible location month-
ly. These critical resources are provided
at different locations to reach people in
need across the Valley. Parents or
caregivers with children are able to
check the kids into our supervised play
area while you meet with service agen-
cies.

Example of Resources often available at Project Connect:

Employment services, medical care,
affordable rental services, clothing,
personal care items, spiritual support,
family and legal services, behavioral
health, substance abuse services, shel-
ter providers, haircuts, food, showers,
bicycle repair, Department of Economic
Security (DES), Social Security, Veter-
an benefits and more.

2018 Project Connect Schedule

Resilient PHX

Phoenix is one of ten
cities participating in a
national Resilience
AmeriCorps program
funded by Cities of Ser-
vice. Resilient PHX is
hosted in the Phoenix City Manager's Office
to address problems associated with ex-
treme weather and to build community re-
silience, self-reliance, and sustainability.

Projects include efforts to enhance and co-
ordinate the City's participation in the coun-
ty-wide Heat Relief Network, engage resi-
dents in preparedness training to foster
personal and community resilience to natu-
ral hazards through the Resilience Work-
shops, and empower citizen volunteers to
create shade in their communities.

Demonstration Projects

Grandview Message Boards: Resilient
PHX funded the installation of three mes-
sage boards in the Grandview Neighborhood
to bridge the communication gap with low-
income and elderly residents, and renters in
multi-family housing. The goal of the mes-
sage boards is to share information as dem-
ocratically as possible, fostering a commu-
nity culture of inclusiveness and resili-
ence. The message boards play the role of
a community newsletter, and the Grandview
Neighborhood Association has seen an in-
crease in attendance and a more diverse
group of attendees at meetings and neigh-
borhood events.

Volunteer Impact and Community Resilience Workshops

Community leaders engaged in the Re-
silience Workshops will serve as
"connectors" to other residents in their
communities, helping them better ac-
cess City services and support from
non-profit organizations to address the
program's goals of reducing the effects
of extreme heat and flooding. The
workshops provide information to en-
hance individual and community resi-
lience, self-reliance and sustainability.
Volunteers will lead projects identified
and supported by connections made
through the workshops, such as a tree
shade project. Workshop participants
are provided with a Community Leader
Reference Book that will serve as a
guide to the resources and services
available to residents. **Get the
Reference book

Vocal Ensemble wins \$1000

Moon Valley's Vocal Ensemble entered to have 94.5 Kool FM feature their rendition of the National An-

them on the radio. The Rockets were chosen to receive some radio air time AND won \$1,000 for their program! Congratulations to Mr. Hunt and the MVHS Choir!

FROM THE DESK OF PRINCIPAL SALYER

During your student's four years of high school, they experience days that are packed with activities, friends and fun; but we must remember the number one goal for all our high school students: pre-paring students for higher education. **We are proud to announce that Moon Valley received a preliminary school letter grade of A!** One of the many reasons we received an A is our focus on college and career readiness

Why is college-readiness so important? A recent study shows that by 2020, 75% of jobs will require at least a two-year degree or higher. That compares to just 62% of jobs requiring higher education in 2009. Also, a college degree makes a big difference for lifetime earning potential. Those with only a high school diploma earn about \$1.2 million over their working lifetime. But those with a Bachelor's degree earn almost twice that, about \$2.1 million.

Here are some important things for all students to remember as they work toward their higher-education goals:

- ☐ Your high school transcript sticks with you for life.
- ☐ All students should take the PSAT during both sophomore and junior year and the Pre-ACT sophomore year as a way to prepare and practice for the ACT, which is taken, for free, during junior year.
- ☐ Visit the College & Career Center inside the front office or call 623-915-8055.

On April 4, all of our junior students will be taking the ACT exam for **free**. This amazing opportunity will help your students get accustomed to national exams so they can be successful. By doing well on college-entry exams, students can earn scholarships to-ward higher education. For more information on free ACT testing at Moon Valley, please call the Counseling Office at 623-915-8002.

Throughout the year, Moon Valley has a college club that meets, called UNI101. Every first Wednesday of the month, students meet with club advisers to talk about college. Topics include things such as important exams needed for college entrance, options in higher education, applying for college and setting goals throughout high school. All students are encouraged to join UNI101. Find out more information by contacting your student's counselor.

Moon Valley prides itself on a vision that all students will go on to higher education. We will continue to promote our vision of helping every student to be college and career ready!

APUSH SEES HAMILTON

Advanced Placement U.S.

History students had an opportunity to see the musical Hamilton thanks to their teacher Jennifer Wright.

The trip was made possible by a grant provided by Gilder Lehrman Institute of American History and funded by the Rockefeller Foundation. Students paid \$10 to attend, but were required to complete a project that mirrored the steps Lin Manuel Miranda took when writing the musical.

Students had to pick an event or person from the Revolutionary Period in US History, find primary sources, and then write a poem, song, monologue, rap, etc. Students also performed those projects within the classroom, and a few chosen projects were performed that day at ASU Gammage

NEWS FROM CHOLLA MIDDLE SCHOOL

Assistant Principal PALLAGI POSITIVITY

Happy spring! It is hard to believe that we are close to wrapping up quarter three but we have had many celebrations since winter break! Some of our celebrations and accomplishments from this quarter were:

We had our second Student Success Assembly of the year and acknowledged hundreds of students for their outstanding efforts in academics and behavior for quarter two.

We had our own Ms. Cindy Trujillo, who keeps our student center running smoothly, acknowledged as a WESD Employee of the Month.

We collected over 750 cans of food to donate to St. Mary's Food Bank.

Eighth grade student, Lesly Castillo, finished third place at the District Spelling Bee. We engaged all students and teachers in two "New Year, New You" school-wide events, which focused on helpful strategies when facing conflict and cyberbullying.

On the note of the cyberbullying, I would like to share an excellent resource for monitoring your child's phone and social media usage. Safe Lagoon is an affordable app that gives you full access to your child's phone from your own phone. To sign up, go to <https://safelagoon.com> and for the next three months, Cholla Middle School parents have an exclusive discount of 50% by using discount code "CMS50".

If you are unsure if this app will meet your needs, you can try it for free for seven days, no commitment.

The app allows you as the parent to monitor all text messages, websites that are accessed, social media posts and usage, and a GPS feature that allows you to locate your child. You can monitor the amount of time your child is on his or her phone in general and you can also turn "off" the phone when usage takes place at times it shouldn't such as late at night or during the school day. I hope this app becomes a valuable resource for you as you navigate your way through parenting in a world with non-stop technology and communication! Thank you again for your continued support!

Teacher Interview Fair Continues

The Teacher Interview Fair will be held from 8:30 a.m. to 12:30 p.m. at the WESD Administrative Center, 4650 West Sweetwater Avenue, Glendale, 85304. Contracts for the 2018-2019 school year will be offered to qualified candidates. Student teachers, soon-to-be college graduates, seasoned teachers and alternative pathways are encouraged to attend!

Saturday, April 28, 2018.

Interviews will be conducted for those interested in teaching: kindergarten, elementary education, special education, language arts, mathematics, science, social studies, general music, art and special needs preschool. Successful candidates may be recommended for a 2018-2019 teaching contract.

Apply online prior to the interview fair at jobs.wesdschools.org. Please select the posting titled, Teacher - All Positions. Human Resources will contact qualified applicants directly to pre-schedule an interview. For more information, contact the WESD Recruitment Office at 602-347-2622 or e-mail teach@wesdschools.org.

EARTH DAY CLEAN-UP

The Cactus Wren Block Watch is attempting to get several Block Watches to assist with doing a Clean Up along Peoria Avenue and 35th Avenue on Earth Day, **Sunday April 22nd**. We plan on starting about 7:30am and should be done around 10am or 10:30 at the latest. NSD will supply trash bags to collect the items and will also probably supply some loaner trash grabbers. Please call me at [623-937-3296](tel:623-937-3296) to let me know if you think you can assist in this endeavor! CPW will be responsible for cleaning up from 43rd Avenue to 39th Avenue on the North Side of Peoria. Thank you for your consideration in helping out on this project!

**EIGHT CITY PARKS GET NEW
BASKETBALL COURTS
THANKS TO PHOENIX
SUNS CHARITIES GRANT**

To commemorate the Phoenix Suns' 50th season in the Valley, Suns

Managing Partner Robert Sarver and Phoenix Suns Charities awarded a \$1 million grant to refurbish, restore and build 50 basketball courts throughout the state of Arizona.

Eight of the courts selected to be refurbished during the Suns' 2017-18 season are located in city of Phoenix parks.

The Phoenix Parks and Recreation Department will celebrate the grand reopening of these courts in the coming weeks. Those events will include basketball oriented games and activities for youth, prize giveaways, and appearances by The Gorilla, Suns Dancers, Solar Squad and other special guests.

Schedule of Basketball Court Grand Re-Opening Celebrations

- Nuestro Park, 1433 S. 9th St. – Thursday, April 5 at 6 p.m.
- Marivue Park, 5625 W. Osborn Rd. – Friday, April 6 at 3:30 p.m.
- Cactus Park, 3801 W. Cactus Rd. – Saturday, April 7 at 11 a.m.
- Sunnyslope Park, 802 E. Vogel Ave. – Tuesday, April 17 at 3 p.m.
- Palomino Park, 15815 N. 30th St. – TBD

PHOENIX PLANNED MAJOR STREET RESTRICTIONS – UPDATED MARCH 23RD

CAN YOU HELP OUT AN OLD NEIGHBOR?

Jenn is a 46-year-old single mom and suffers from a rare blood disorder called APLS

(antiphospholipid antibody syndrome) An immune disorder characterized by the presence of abnormal antibodies in the blood associated with abnormal blood clotting, migraine headaches, **recurrent** pregnancy losses (repeat spontaneous abortions), and low blood platelet counts (thrombocytopenia). "She was working with U-Haul as a part-time employee but had to take a leave of absence with no pay since November of 2017 due to her medical condition. She has been relying on the assistance of AHCCCS, family, and friends. Unfortunately, the family's funds are close to exhaustion, and we are optimistic that by submitting this article for financial assistance, we can extend this to her circle of friends and supporters. Jenn has been going through extensive and painful surgeries over the past year due to uncontrollable blood clotting, she had multiple bypass surgeries called femoral artery (the main arterial supply to the leg) including the one from January of 2018. But after a few days, the bypass surgery didn't work and her left leg started dying which she had to make a difficult decision of amputation on 1/13/2018. She went through extensive rehab until she was sent home to start her new norm on 2/15/2018. After a few days of being at home, Jenn was rushed to the emergency room again due to blood clotting and on 2/24/2018; her remaining leg required a femoral artery bypass and again, was unsuccessful. On 3/8/2018, she went for another surgery for her second leg amputation. She is now recovering and trying to be strong for her family. She is adjusting to her second new norm and will be moved to rehab facility soon. Any help you can give is greatly appreciated Please click on the link to donate.

She has five kids between the ages of 26 and 13. Shelby, her oldest son, has shouldered the responsibility of home care for his mother. During the past couple months of his mom's hospitalization, he has been and continues to be the supporter of his siblings and the household burdens

CPWNA donated \$300.00 and the Jamz House Posse was able to raised \$1,350.00 to assist Jennifer with her April 2018 rent & bills.
