Jan. 9, 2019

**Every man should be born again on the first of January. Start with a fresh page. Take up one hole more in the buckle, if necessary, or let down one, according to circumstances; but, on the first of January let every man gird himself once more, with his face to the front, and take interest in the things that are and are to be, and not in the things that were and are past.**

**Please join us for our first meeting of the New Year!**

This year we are embarking on a new series of experiences designed to improve our communication with our neighbors, make our meetings more interesting, and improve our neighbors' interests in the operations of our neighborhood association. Cresthaven Neighborhood Association of RCONA was established in the Summer of 1997 and has been active in neighborhood association events since that time. Our newsletter has been designed to bring to you, our neighbors, information about our City, our neighborhood, and our neighbors. All of the content of this newsletter is presented with the idea that it will help you to be familiar with what the City of Roseville is about, what our local government is about, and what you, residents of Roseville, can do to help make our city a better place in which to live. With that in mind, our intent is to continue to publish our newsletter monthly throughout the 2019 Year. Happy New Year!

We will publish the newsletter and with links on:

## WINTER STORMS

Winter storms have the potential to cause power outages, flooding and traffic hazards. Plan ahead. Remove fallen leaves. Help prevent street flooding by removing leaves and keeping storm drains clear. Place fallen leaves in your green waste bin, or bag your leaves and place them in your regular refuse bin. From November to mid-January, utilize Roseville's complimentary front yard leaf pickup service.

**Prepare at home:** Keep an emergency kit with a battery operated radio, flashlights, free batteries and a first-aid kit. Stock easy-to-open prepared foods, a can opener, bottled water and pet food in case of a power outage. Keep extra blankets and warm clothes in a safe dry place. If you use an electric generator, be sure it is installed properly otherwise you put your property and utility workers lives at risk. Visit [Ready.gov](http://Ready.gov) for more ways to prepare yourself for winter storms.

### During a storm, stay safe. Stay updated

Sign up for [Placer Alert](#) (formerly Roseville Alert) to be alerted about emergency events in your Neighborhood.

Sign up for free electronic newsletters from the City. Follow the City's social media accounts. During a storm or emergency, updates will be posted on these. We have accounts on Facebook, NextDoor and Twitter.

**Power outages:** Power outages may occur during stormy weather. To report an outage or for more information about power outages, call Roseville Electric Utility at (916) 774-5428. If you live outside the City of Roseville, [contact Pacific Gas & Electric \(PG&E\)](#).

DO NOT TOUCH downed power lines. If you see a downed power line, do not touch it. Assume it is dangerous and call 9-1-1 immediately.

**Tree hazards:** To report downed trees and tree limbs, call Roseville Parks & Recreation at (916) 774-5748 during normal business hours. After hours or on weekends, call the police and fire dispatch at (916) 774-5000 ext. 1.

**Stream Levels:** [View: Real-time stream levels around Roseville.](#)

Street flooding and road hazards: During a storm, do not walk or drive past barricades or signs warning of flooded areas. To report localized street flooding or road hazards, call Roseville Public Works at (916) 774-5790 during normal business hours. After hours or on weekends, call police and fire dispatch at (916) 774-5000 x 1. To report street flooding for streets located in Placer County, contact [Placer County Public Works](#).

**Sandbags:** The City only provides sandbags when creeks in Roseville are expected to reach levels that could flood homes, not just because heavy rains are predicted. To find out if the City's sandbag stations are open, call (916) 774-5790 or [visit here](#). To have sandbags readily available for your property, you may purchase sandbags from a local home improvement store.

**Trails:** Trails, particularly in low-lying areas, are subject to flooding and temporary closures due to storm events. Use caution and never enter a water covered area.

**Safety:** There is a natural curiosity to want to view first-hand the rising water conditions. BE SAFE. Rising water is dangerous. Stay away from the water and off levees. Pedestrians and vehicles on levees are prohibited, pose a danger to the public, and hinder the efforts of emergency response and flood monitors. Do not walk through flowing water or drive through flooded areas. Do not drive during a storm unless necessary. Turn on your headlights when it is raining. Slow down on wet streets.

## ROSEVILLE UTILITIES ACCOUNT SERVICES

Roseville's utilities account services has set up an on-line program for paying your utilities account billing conveniently on line. For information go to [Roseville Utilities Self-Service System \(CSS\)](#).

## OAK STREET PARKING GARAGE NOW OPEN

Parking is even easier in Downtown Roseville. The Oak Street Parking Garage is now open. Come see what Downtown has to offer.

The garage provides 429 free parking spaces on seven floors. Designated parking spaces include:

- 9 Handicap Accessible spaces
- 6 Electric Vehicle Chargers
- 32 Clean Air Vehicle/Carpool spaces
- 11 Motorcycle spaces
- 24 Bicycle spaces

You can access the garage from Vernon Street and Oak Street and exits to Lincoln Street and Oak Street. Pedestrians or bicyclists can easily travel from Oak Street to the garage and Vernon Street via elevators, stairwells, or the bike ramp.

Security features include cameras at every entrance and exit and LED lighting throughout the garage.

Exterior improvements include landscaping and changes to the pedestrian pathway from the garage to Vernon Street and from Vernon Street to Atlantic Street. The pedestrian walkways is significantly wider and streetlights better illuminate these routes. Additional lighting is also on the alley-side exterior of the garage to improve visibility along Republican Alley.

### BIRD AND BUG BONANZA

February 2 2019 10:00 AM to 2:00 PM

Roseville Utility Exploration Center

Get buggy with it at this free, family event and learn how to keep our creeks and streams hopping with life!

Flow down the storm drain on a journey to explore Cruddy Creek. Make your way through the larger than life environment and determine what belongs in the creek and what doesn't – fish, trash, chemicals, animals, dog poo? Get to know some of the insects that help keep our ecosystem healthy. Meet some composting worms and peer through our microscopes to check out some pond scum. What can you learn from these interesting bugs?

Head to the game room and play Busy Bees, Flip-In Creek and Lady Bug Power to learn about protecting our local habitat — and win prizes doing it!

Free, drop-in event. No registration necessary.

### EVENTS FOR CRESTHAVEN NEIGHBORHOOD ASSOCIATION OF RCNA FOR 2019

Your Association Board has established dates for Neighborhood events throughout the 2019 year. We have determined that with our current budget and available information regarding past events we will be able to hold the following Neighborhood events as we have in the past. The dates for these events are as follows. Please save the dates:

CNA Annual Easter Egg Hunt	-	April 21, 2019
National Night Out	-	August 6, 2019
Neighborhood Garage Sale	-	August 10, 2019

A lot of new residents have moved in to our neighborhood over the past year. We want to do our best to welcome our new neighbors as best we can. If you have a new neighbor on your street, go over to their home, introduce yourself, welcome them to the neighborhood and help to make them feel at home. Encourage them to advise Larry, your newsletter editor of their e-mail address, introduce them to the possibility of attending our monthly Neighborhood Association meetings and help them to get acquainted with our neighborhood and our neighbors. This is a terrific way to engage new potential acquaintances, and gain new friends.

Be a welcoming and positive asset to our neighborhood unit.
