Meeting is Wednesday, March 13, at 7:00 PM.

Light refreshments will be served See you there.

INTERESTING FACTS ABOUT MARCH!

The name of March comes from [Martius](#), the first month of the earliest [Roman calendar](#). It was named after [Mars](#), the [Roman god](#) of war, and an ancestor of the Roman people through his sons [Romulus and Remus](#). His month *Martius* was the beginning of the season for warfare, and the [festivals](#) held in his honor during the month were mirrored by others in October, when the season for these activities came to a close. *Martius* remained the first month of the Roman calendar year perhaps as late as 153 BC, and several [religious observances](#) in the first half of the month were originally [new year](#)'s celebrations. Even in [late antiquity](#), [Roman mosaics](#) picturing the months sometimes still placed March first.

[March 1](#) began the numbered year in Russia until the end of the 15th century. [Great Britain](#) and its colonies continued to use March 25 until 1752, when they finally adopted the Gregorian calendar (the fiscal year in the UK continues to begin on the 6th April, initially identical to 25 March in the former Julian calendar). Many other cultures and religions still celebrate the beginning of the New Year in March.

March is the first month of spring in the Northern Hemisphere (North America, Europe, Asia and part of Africa) and the first month of fall or autumn in the Southern Hemisphere (South America, part of Africa, and Oceania).

Ancient Roman observances celebrated in March include [Agonium Martiale](#), celebrated on March 1, March 14, and March 17, [Matronalia](#), celebrated on March 1, [Junonalia](#), celebrated on March 7, [Equirria](#), celebrated on March 14, [Mamuralia](#), celebrated on either March 14 or March 15, [Hilaria](#) on March 15 and then through March 22–28, [Argei](#), celebrated on March 16–17, [Liberalia](#) and [Bacchanalia](#), celebrated March 17, [Quinquatria](#), celebrated March 19–23, and [Tubilustrium](#), celebrated March 23. These dates do not correspond to the modern [Gregorian calendar](#).

WHAT IS THE TRUE MEANING OF ST. PATRICK'S DAY?

Saint Patrick's Day, or the **Feast of Saint Patrick** ([Irish](#): *Lá Fhéile Pádraig*, "the Day of the Festival of Patrick"), is a cultural and religious celebration held on 17 March, the traditional death date of [Saint Patrick](#) (c. AD 385–461), the foremost [patron saint](#) of [Ireland](#).

Saint Patrick's Day was made an official Christian [feast day](#) in the early 17th century and is observed by the [Catholic Church](#), the [Anglican Communion](#) (especially the [Church of Ireland](#)), the [Eastern Orthodox Church](#), and the [Lutheran Church](#). The day commemorates Saint Patrick and the arrival of [Christianity in Ireland](#), and celebrates the [heritage and culture of the Irish](#) in general. Celebrations generally involve public parades and festivals, [céilís](#), and the wearing of green attire or [shamrocks](#). Christians who belong to liturgical denominations also attend [church services](#) and historically the [Lenten](#) restrictions [on eating](#) and [drinking alcohol](#) were lifted for the day, which has encouraged and propagated the holiday's tradition of alcohol consumption.

Saint Patrick's Day is a [public holiday](#) in the [Republic of Ireland](#), [Northern Ireland](#), the Canadian province of [Newfoundland and Labrador](#) (for provincial government employees), and the British Overseas Territory of [Montserrat](#). It is also widely celebrated by the [Irish diaspora](#) around the world, especially in the [United Kingdom](#), [Canada](#), [United States](#), [Brazil](#), [Argentina](#), [Australia](#) and [New Zealand](#). Saint Patrick's Day is celebrated in more countries than any other [national festival](#). Modern celebrations have been greatly influenced by those of the Irish diaspora, particularly those that developed in North America. In recent years^{[[when?](#)]}, there has been criticism of Saint Patrick's Day celebrations for having become too commercialised and for fostering negative stereotypes of the Irish people.

WINTER STORMS

Winter storms have the potential to cause power outages, flooding and traffic hazards. Plan ahead. Remove fallen leaves. Help prevent street flooding by removing leaves and keeping storm drains clear. Place fallen leaves in your green waste bin, or bag your leaves and place them in your regular refuse bin. From November

to mid-January, utilize Roseville's complimentary [front yard leaf pickup service](#).

- Prepare at home:

Keep an emergency kit with a battery operated radio, flashlights, free batteries and a first-aid kit.

Stock easy-to-open prepared foods, a can opener, bottled water and pet food in case of a power outage. Keep extra blankets and warm clothes in a safe dry place. If you use an electric generator, be sure it is installed properly otherwise you put your property and utility workers lives at risk. [Visit Ready.gov for more ways to prepare yourself for winter storms.](#)

- Durling a storm, stay safe:

Stay updated. Sign up for Placer Alert (formerly Roseville Alert) to be alerted about emergency events in your neighborhood. [Sign up for free electronic newsletters from the City.](#) [Follow the City's social media accounts.](#) During a storm or emergency, updates will be posted on these. We have accounts on Facebook, NextDoor and Twitter.

- Power outages:

Power outages may occur during stormy weather. To report an outage or for more information about power outages, call Roseville Electric Utility at (916) 774-5428. If you live outside the City of Roseville, [contact Pacific Gas & Electric \(PG&E\)](#). DO NOT TOUCH downed power lines. If you see a downed power line, do not touch it. Assume it is dangerous and call 9-1-1 immediately.

- Tree hazards:

To report downed trees and tree limbs, call Roseville Parks & Recreation at (916) 774-5748 during normal business hours. After hours or on weekends, call the police and fire dispatch at (916) 774-5000 x 1. Stream Levels. [View real-time stream levels around Roseville.](#)

- Street flooding and road hazards:

During a storm, do not walk or drive past barricades or signs warning of flooded areas. To report localized street flooding or road hazards, call Roseville Public Works at (916) 774-5790 during a storm, do not walk or drive past barricades or signs warning of flooded areas. To report localized street flooding or road hazards, call Roseville Public Works at (916) 774-5790 during normal business hours. After hours or on weekends, call police and fire dispatch at (916) 774-5000 x 1. To report street flooding for streets located in Placer County, contact [Placer County Public Works](#).

Sandbags:

The City only provides [sandbags](#) when creeks in Roseville are expected to reach levels that could flood homes, not just because heavy rains are predicted. To find out if the City's sandbag stations are open, call (916) 774-5790 or [visit here](#). To have sandbag

bags readily available for your property, you may purchase sandbags from a local home improvement store.

- Trails:

Trails, particularly in low-lying areas, are subject to flooding and temporary closures due to storm events. Use caution and never enter a water covered area.

- Safety:

There is a natural curiosity to want to view first-hand the rising water conditions. BE SAFE. Rising water is dangerous. Stay away from the water and off levees. Pedestrians and vehicles on levees are prohibited, pose a danger to the public, and hinder the efforts of emergency response and flood monitors. Do not walk through flowing water or drive through flooded areas. Do not drive during a storm unless necessary. Turn on your headlights when it is raining. Slow down on wet streets.

These are a few of the types of actions you can take to ensure the safety of you and your family. We hope that this can help you this storm season!

DON'T BE A VICTIM OF A UTILITY SCAM

SCAM ALERT

Fact: We will never call to demand immediate payment with the threat of service disconnection.

#StopScams

CAUTION

A handful of Roseville utility customers reported receiving calls from someone claiming that they were from Roseville Electric, and were on their way to disconnect their electricity due to a late payment. The callers demanded payment in the form of Money Pak card account numbers (cash gift cards) to keep the power on. This is a scam.

Any demand for payment via money wire (Western Union, MoneyGram) or in the form of Greendot/MoneyPak or other cash gift cards should be met with great skepticism, since these trans-

actions are untraceable and non-refundable. Certainly no utility company would ever demand payment in this form.

The City of Roseville's utility departments (Roseville Electric and Roseville Environmental Utilities) don't call customers to solicit payments. If you ever receive a call or visit from a live person claiming to be with Roseville utilities demanding immediate payment, it's a scam. Hang up and call utility billing at (916) 774-5300 to report the suspicious call. If someone contacts you in person claiming to be from one of the utility departments and they seem suspicious, don't let them in, and call Roseville Police immediately.

The disconnecting of power or other utilities should never come as a surprise to utility customers. The City's utility billing department employs a lengthy process to warn customers about delinquent bills, and never shuts off anyone's power or other utilities until they have mailed notices and sent several automated telephone reminders to the delinquent customer. If customers receiving an automated ("robo-call") reminder about an overdue bill want to make an immediate payment, they can select that option using their telephone, and are then transferred to the City's automated payment system. The automated system includes options for customers to listen to and verify their account information. Automated calls are generally made during regular business hours, not on weekends or holidays.

Customers who have any questions about an overdue bill notice are encouraged to call the utility billing customer service representatives at (916) 774-5300 during regular business hours to verify their account and ask for assistance.

EVENTS FOR CRESTHAVEN NEIGHBORHOOD ASSOCIATION OF RCONA FOR 2019

CNA Annual Easter Egg Hunt	-	April 21, 2019
National Night Out	-	August 6, 2019
Neighborhood Garage Sale	-	August 10, 2019

ANNUAL EASTER EGG HUNT—JACK WALLACE PARK

Once again this year, Cresthaven Neighborhood Association of RCONA will host its Annual Easter Egg Hunt at Jack Wallace Park. We will be setting up starting at 11:00 AM at the Picnic Area at the Park on Community Drive. We'll have donuts and coffee for the Volunteers and we do need you to assist. We'll have plenty of Easter Eggs to be filled with wrapped "NON-CHOCOLATE" candies for the kids. We want to ensure their safety so all candy must be commercially wrapped prior to placing in the Plastic Eggs.

Our March 13 neighborhood meeting will be the kickoff for the Easter Egg Hunt with plenty of Grocery Bags with eggs for stuffing by volunteers who graciously provide the candies for the eggs that they volunteer to stuff. It's a fun event and over the years, we've always had a great turnout for the event. We want this event to be the best ever.

In the event of inclement weather, we'll have the easter eggs in Larry's car and we'll hand out eggs to all kids that show up for the event if it rains.

There will be special eggs that if found by the participants, will qualify the finder for a special prize. Don't miss the opportunity to enjoy this fun time.

The Committee and Volunteers want everybody to enjoy this special time of the year and Easter is an opportunity to do so.

ROSEVILLE HAS OPENINGS FOR NEW EMPLOYEES

How do I apply for a job with the City of Roseville?

Applications are only accepted for positions that are open for recruitment. All of our job openings are posted on our website at www.roseville.ca.us/jobs. The job requirements and the application process are listed on all job announcements.

Some recruitments are listed as promotional and are only available to current regular/benefitted city employees.

For some jobs, only a limited number of applications are accepted. This limit will be listed on the announcement. Many positions close quickly and it is to your advantage to submit an application as soon as possible.

It is a great idea to keep a copy of the application materials you submit to our office, as well as a copy of the job announcement to assist you in preparing for the testing/interview process.

Information regarding our selection process is available here: [Roseville Selection Process](#)

ECONOMIC DEVELOPMENT

On September 20, 2017, the Roseville City Council adopted the City's new [2017-2022 Economic Development Strategy](#).

The Economic Development Strategy is a five year plan that outlines a framework for economic growth.

It establishes goals for capturing and expanding business investment and focuses on partnerships, sharing resources, and building on competitive advantages.

Our desired outcome is to make Roseville the community of choice for business investment and to achieve a safe environment and framework and an equitable economy for our businesses, residents and development community.

We are a place where businesses small and large find success.

The key is Roseville's ability to provide first rate services, competitive business costs, a centralized location, solid long range planning and an educated, growing population.

Roseville takes a holistic approach to creating a successful business climate by providing a solid foundation that allows companies to create, innovate and grow.

MAYOR'S CUP

The City of Roseville is committed to offering affordable programs for all city residents. Our Mayor's Cup Golf Tournament is an annual event to help raise funds for our youth scholarship program. Each year the tournament will help provide scholarships for qualifying families to participate in parks and recreation activities such as swimming lessons, youth sports, and playground programs.

We hope you will consider supporting youth recreation in our community by registering to play or becoming an event sponsor. For further information, contact Tobi Thomas at: MayorsCup@roseville.ca.us

ROSEVILLE FIRE DEPARTMENT

Whether it's a medical incident, fire, hazardous material incident, rescue situation, or natural disaster, our firefighters are trained and ready to respond.

ROSEVILLE FIRE CHIEF RICK BARTEE

Every Roseville Fire Department Firefighter is certified as a Paramedic or Emergency Medical Technician, and with a at least one Paramedic on every response unit, patients with even the most serious conditions can be stabilized and treated prior to being transported to a hospital. Roseville Fire Department specialty rescue teams respond to incidents involving hazardous materials, rope, and water rescue, and structural collapse.

The City of Roseville Fire Department's mission is to protect and enhance the safety and well being of residents, businesses, customers and partners. The Department received a five year accreditation through the Center for Public Safety Excellence in 2016 and in July of 2015 the Department received an ISO Public Protection Classification rating of 2.
