

Join us for our new crime prevention tool  
called:

# #9PMRoutine

How does it work?

Every night at 9PM KCPD wants you to adopt a new habit by:

- (1) Removing valuables from your vehicle (purses, wallets, bags, garage door openers etc...).
- (2) Ensure your car doors are locked and windows rolled up.
- (3) Check your mail.
- (4) Make sure your garage door, all exterior doors and windows are closed and locked.
- (5) Turn on exterior lights. Thieves hate lights!
