

Welcome to the Neighborhood!

Ashbourne Hills Civic Association

We are glad you have chosen Ashbourne Hills as your place to call home. Below are links to social media sites where you can get to know your neighbors.

Facebook page is a closed group called ***Ashbourne Hills Civic Association*** (AHCA). Simply request to join and one of the Admins will grant you access.

Nextdoor group is called Darley Road...it blankets a large area and several surrounding communities. Nextdoor.com is a great way to get referrals from others for contractors, etc. If you need a reliable painter, plumber, electrician, etc. check out Nextdoor first. Plus, people offer items for sale, for free and trade-it's a great resource to post notifications about lost pets, let other neighbors know about concerns in our community, etc.

Neighborhood link is where you can download our neighborhood newsletter, AHCA Constitution, Bylaws and Deed Restrictions and other useful links to the DMV, Government Contacts, local organizations and meeting minutes from past AHCA meetings, Newsletters, etc.
