Formerly the East Houston Elementary School. Built in either 1911 or 1912, members aren't really sure, the one-room school house was located at the corner of Liberty and East Houston roads, until the civic club purchased it and moved it to its present location at 7418 E. Houston Road. The building contains so much history, members of the East Houston Civic Club which purchased the structure in 1935, are working to attain an historical landmark designation.

In order to encourage voter registration, Texas election law provides for County Voter Registrars to designate individuals to assist in the registration of eligible persons to vote. These individuals are appointed as Volunteer Deputy Registrars and operate under State rules and the supervision of the County Voter Registrar.

To be eligible to serve as a Volunteer Deputy Voter Registrar, you **MUST** be:

- at least 18 years of age
  - a citizen of the United States
  - a resident of Texas
- 
- By law, all volunteer registrar appointments expire on Dec.31 of even-numbered years. That means that if you registered voters last summer and haven't taken a class yet, you need to take the class again.
  - Training is mandatory for anyone who is interested in becoming a new or renewed volunteer deputy voter registrar. That means applicants must be retrained before they can be reappointed as a volunteer deputy voter registrar.
  - In order to receive your “**VDVR Certificate of Appointment**”, you are required to RSVP on the Harris County Tax Office website at: [www.hctax.net/Voter/Registration](http://www.hctax.net/Voter/Registration).
