

# VERANDAS HOMEOWNERS ASSOCIATION, INC.

## UPDATES – JANUARY 8, 2020

Repairs to the water boilers have been completed and a shut off valve installed. It was necessary to shut off the water temporarily yesterday during this process. Water service was returned to the building at approximately 2:00 p.m.

Repairs to the spa were completed yesterday. The contractor (Gunther Pools) did a wonderful job. We will continue to let the new tiles sit today before filling it back up tomorrow and opening it. There are plans to next address the tiles on the lazy river and pool. Notifications will be sent prior to establishing that schedule. Due to costs, the work is being done in phases.
