

Dear Residents,

General Meeting

A general meeting will be held on **Tuesday, February 11, 2020** at **Miller's Point Elementary School, 7027 Misty Ridge, Converse, TX 78109** in the **cafeteria** to discuss current neighborhood matters.

Dump Your Junk

Dump Your Junk is scheduled to take place on Saturday, March 7, 2020, 9am to 6pm and Sunday, March 8, 2020, 1pm to 5pm. The hours may vary slightly depending on the volunteers available. It will be in the lot/field next to Millers Point Elementary. Please observe the posted times and limit dumping to between those hours. If the barricades and cones are up the site is closed; please do not dump. If the barricades are up during the hours stated above and then volunteers are lacking to open and run the site. While at the site, please follow the instructions of the volunteers. **REMEMBER NO GARBAGE, THAT IS FOR YOUR WASTE SERVICE, NO PAINT CANS, CHEMICALS, TIRES, BATTERIES AND NOTHING WITH FREON.** With the lack of people willing to step up and volunteer this may be your last opportunity to get rid of your bulk junk. MRNA Rules: No animals or unsupervised children under 18 at the dump site; No exceptions. Should this event be canceled by the County due to weather - signs will be removed, an email will be sent out and it will be posted online. There is not sufficient time to get another newsletter out so these are the fastest and most efficient ways to contact the neighborhood at one time. Please email trisha_k84@sbcglobal.com if you are not on the email distribution list but would like to be.

Marque

We continue to be aware of the concern regarding the status of the marque area. The plan to remove the rocks and put down professional grade weed barrier is still on the table however we are in need of someone to take control of the planning and organizing. We have a group of people willing to help but the more the better. MRNA will provide beverages and lunch.

O'Connor Rd

We have been in communication with the County Commisioner regarding the activity going on in the lot currently being used to park/store/repair 18 wheelers on O'Connor Rd near New World. They are monitoring the situation and hoping to make it difficult for them to continue to operate there.

Volunteers

Volunteers are paramount or the neighborhood will continue to deteriate. We are currently in need of street captains for the following streets: Annandale & Bayport and Chelseawood & Chesterbrook. The neighborhood association is wholly dependent on volunteers and cannot continue to function without additional volunteers helping out. Please continue to consider volunteering for a board position, as a street captain or in any other capacity in which you feel you could be of service to the neighborhood. What type of community would you like to live in and is it important enough for you to continue to sit on the sidelines?
