CORONAVIRUS
WHAT YOU NEED TO KNOW.

Your health and wellness is of utmost importance to us. As we continue to monitor coronavirus (COVID-19), we want you to know that we remain committed to serving the needs of our community.

Thank you for all of the ways that you are taking care of yourself and family members during this time of health concern in our community and around the world. We are doing everything we can to mitigate the potential spread of the new coronavirus.

We are in contact with the Pools of Hope meeting location regarding the use of facilities by our organizations.

We know that many of you are concerned about this issue, and we had scheduled a presentation by the Health Department for our upcoming meeting.

Based on guidance from the Long Beach Health Department and California Department of Public Health on the assembly of large events, convenings that bring people together, **College Square Neighborhood Association is cancelling this month's meeting on March 31, 2020 until further notice.** Only the planned event for the Neighborhood Clean-up that meet outside and do not require close personal contact may continue. Additionally, the neighborhood clean-up is cancelled for **March 21, 2020.** A new date will be provided.

We recognize the many arrangements you may have had to make to attend and volunteer for meetings and events. At the same time, we believe it is important to take additional precautions to mitigate the potential spread of the new coronavirus. If you have any questions or concerns, please feel free to contact the leaders and check our **social media sites.**

Once again, we deeply appreciate and honor your commitment to supporting meetings. We strive to keep you posted on any relevant updates.
