

THIRU
MAYOR 2020

Our team wants to share our latest effort to spread awareness about the COVID-19 crisis. As a local campaign in the middle of a global pandemic, we want to do our small part in directing people to potentially life-saving resources in a time of uncertainty. We are excited to announce the launch of our new text hotline, which connects Baltimoreans to local and state COVID-19 resources.

Keep a lookout for the hotline on our social media and digital billboards across the city. We'll be following up with our neighbors who use the hotline to see what their communities need.

Try it out for yourself—and pass it along to friends and family. Text COVID to 55444 to stay in the loop with the latest developments and guidelines regarding COVID-19. And, please remember to continue practicing social distancing!
