

Dear Voter – it’s National Voter Registration Day!

Across the country, thousands of people are registering to vote today so they have the opportunity to make their voices heard this election. Here in LA County, we’re working diligently to make sure we get every eligible voter registered before the October 19 deadline.

This deadline is critical because anyone who is not registered to vote by October 19 will not be mailed their Vote by Mail ballot in the upcoming Presidential General Election.

In this election we’re mailing **all registered voters a mail-in ballot** to ensure you have a safe and accessible voting option during COVID-19.

Forward this message to three friends, family members or neighbors to make sure they’re registered to vote before the deadline.

REGISTER TO VOTE

National Voter Registration Day is the perfect time to encourage *everyone* in your life to register to vote so they can make their voices heard!

Happy National Voter Registration Day!

Stay Safe,
