RE: *Reactivation of the Downtown Development Authority of the
City of Rochelle, Georgia*

Dear Authority Members:

As you may recall, the Rochelle City Council adopted a resolution on March 4, 2020, to reactivate the Downtown Development Authority of the City of Rochelle, Georgia (the "DDA"). Pursuant to statutory law, notice of the reactivation of the DDA was required to be made to the Georgia Secretary of State. After finally ascertaining the information from the Secretary of State's office as to which division to notify of the reactivation, such notice was submitted on March 22, 2020. (Please note that the cover letter provides a date of March 22, 2019; this is a typographical error.)

Enclosed, please find a copy of the response received from the Secretary of State's Office regarding reactivation of the DDA. Though the Secretary of State's response is dated September 16, 2020, the communication was not received until yesterday, October 13, 2020. Please keep this information for your records.

Thank you for your consideration in this regard.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Toni Sawyer", with a stylized, cursive script.
