The trees and plants in **open area of the 700 block of Westhills Parkway** has been beautifully maintained by a volunteer community member, and we all appreciate the years of dedication and hard work. Let's continue to do our part by removing trash that might be throw in the road by those driving by. For safety and to minimize property damage, permanent signs are posted as a reminder that there is no ball playing in this area. **Also, there is NO PARKING ON THE GRASS IN THIS AREA.**
