Fund Raiser Goals

The goal is to provide underserved and/or disadvantaged youth and families with school supplies, backpacks, healthy fun experiences such as hands-on type educational exhibit and games trucks, personal grooming vendors, along with providing health screening, immunizations and educational providers.

These services tend to be very costly and the organization relies extensively upon funding from community focused partners to make these services available.

Additional funding sources tend to provide minimal sponsorship resources, in-kind services and volunteers.

Thank you for your support of any size.

District 9

Wednesday, August 11, 2021 - Thank you for attending!

Citywide Outreach Meeting

What is the Long Beach Independent Redistricting Commission?

The Independent Redistricting Commission is made up of 15 community residents that are responsible for adjusting the council district lines for population changes shown in the Census.

How to Get Involved

Please visit the Redistricting website to sign up to speak at a meeting, submit a Community of Interest Form, or submit a map of your community.

<https://longbeach.gov/redistricting/how-to-get-involved/>

For more information visit www.longbeach.gov/redistricting

HOW TO GET INVOLVED:

- Attend the Long Beach Independent Redistricting Commission Outreach Meetings
- Complete the Community of Interest Form
- Map Your Community of Interest

North Long Beach District 9 Artesia Boulevard Renovation Plans

The Artesia improvement project consists of a complete reimagining of the corridor featuring new wayfinding signage, parklets, protected bikeways, safer crosswalks and efforts to create a safer environment for pedestrians, cyclists and motorists.

Some of the key safety features are 12 upgraded traffic signals and dedicated turn signals at certain intersections. The project also includes installing fiber optic cable that will allow for closed circuit television cameras that connect to the traffic control headquarters in Downtown Long Beach.

NEED HELP WITH RENTAL ASSISTANCE?

Long Beach Reopens Emergency Rental Assistance Program

The City has reopened the [Long Beach Emergency Rental Assistance Program \(LB-ERAP\)](#) for qualified landlords and tenants to apply for pandemic-related rental assistance. The reopening of the program is due to an additional \$13.1 million the City has recently received in state and federal funding, bringing the program budget up to \$64 million.

All LB-ERAP applications can be submitted via the program's online information and service portal available on the [LB-ERAP webpage](#), which also provides details about the program's various income and eligibility guidelines. People seeking to apply, as well as those with incomplete or pending applications, may contact the support line, hosted by Yardi Systems, the City's program partner, at 833.358.5372 for assistance from 8 a.m. to 6 p.m. Mondays through Fridays.
