Subject: Premiere of CommuniTEA

Good evening all,

The Baltimore Banner is trying something new!

Based on community feedback, we've developed CommuniTEA—a monthly community affairs program, which will premiere on YouTube this Tuesday, August 30th at 10AM. Here is the link: <https://www.youtube.com/watch?v=oJHi1MBShys>.

CommuniTEA's goal is to highlight various neighborhoods and to share the good things that are happening there. Sometimes we may feature organizations, small businesses or a community mover and shaker.

The premiere episode starts in South Baltimore's Curtis Bay featuring Ray Conaway, the Filbert Street Garden, and Hon's Honey. During this three-month pilot phase, we will share additional episodes for your feedback. We'll know how to develop the series further based on your viewership, suggestions, and comments. So please spread the word; subscribe to our YouTube channel; and let us know what you think! More to come.

In service,

Carol

THE BALTIMORE BANNER
