YH₂O Career Mentoring Program⁴

Yahoo Mail/Inbox

Good afternoon,

The Baltimore City Mayor's Office of Employment Development (MOED) and Department of Public Works (DPW) has partnered with the Chesapeake Water Environment Association (CWEA) to design and operate the **YH₂O Career Mentoring Program ("YH₂O")** for Baltimore City residents, ages 18-24, who have a high school diploma or GED, are unemployed or underemployed and, are not currently enrolled in a job training program or post-secondary education. Baltimore City is proud of the 131 young men and women who have successfully completed YH₂O since its inception in 2015.

WHAT IS YH₂O?

YH₂O is a program which prepares young adults to be employed in full-time jobs within the water industry at the completion of the program. The goals of **YH₂O** are to:

- Educate Baltimore City young adults about the water industry and its career opportunities
- Develop a pipeline of future workers with the right skills to fill entry-level positions in the water industry

To learn more about **YH₂O**, visit our website:

<https://publicworks.baltimorecity.gov/water-mentoring-program>

In Partnership,

Brandon M. Scott

Mayor

Jason W. Mitchell

Director

Carmellita Green
