President's Message

Hello Neighbors!

With the temperatures hovering in the high nineties for almost two weeks now, I'm reminded of June, 1980 when we returned from Los Angeles to find that Houston had been 3 days in the throes of 100 degree temperatures. This went on for almost 2 1/2 weeks. How we survived that heat wave, I don't know (I was much younger then). So, since we are much older now, it behooves us to do everything we can to not fall victims to heat related ailments: heat stroke, dehydration, sun burns, etc

At our Board Meeting at the beginning of the month, it was decided that we would suspend our meetings for the months of July and August. This is so that we may be able to enjoy the summer with family and friends. We will resume our Board Meeting on September 7th and our monthly General Meeting on September 27th.

School is out for the summer so please be aware of the children playing, riding their bicycles, or walking the streets. Some may be attending summer school.

You are strongly urged to attend our monthly meeting on the 27th, because we will have our District D Council Representative, Carolyn Evans-Shabazz, as our guest speaker. Let us pack the place!

**Robert Simmons, Jr.
President**

Gulf Meadows, I am happy to announce that our own elected District D Council Representative, Carolyn Evans-Shabazz, is scheduled to make an appearance at our very next and last general meeting for this portion of the year. Plan to come meet her and hear what she will share with us concerning our immediate area of her district. It's been a long time coming so let's have a good turnout.

**Lorenzo Williams, Sr.
1st Vice President**

Deed Restrictions

Broken Fences – On our last drive through of Gulf Meadows, we noticed several fences leaning, some with broken gates, missing boards, and a couple of fences built with a mixture of rusty metal and old, rotten wood.

Having a fence around your backyard is not required by Gulf Meadows. It is your choice to have a fence. However, if you have a fence, you must keep it repaired with decent materials (not to repair with any kind of materials).

Keeping your fences repaired is another way that residents in Gulf Meadows work to preserve our community.

NOTE: Working with your neighbors, when replacing a fence, is advised.

The park activities are in full swing with the warmer weather, and we are monitoring the activities regularly. We need all of you to be our eyes and ears and to report any problems that you see to us and/or directly to the Parks Dept.

We have had good success in getting our park issues resolved and we couldn't do it without your help.

Hospitality

We Gulf Meadows Civic Club resumed celebrating with food and beverages after May's meeting. What a great return. We thank John and Lillian Kozel and Mark and Daryle Schultz for volunteering to kick off this great return. You are welcome to come out and celebrate June's event.

Treasurer's Report

Thanks to the support of all of you, our membership as of June 17th now stands at 181 members. We are still ahead of last year's total at this time of 145 members, but short of our annual goal of 250 members. Since we have 800 homes in Gulf Meadows, that really seems like an achievable number. I hope any of you that are still planning to pay your dues this year will do so and push us past the magic number. Thanks to all of you that have helped this year. Let's keep it up and I hope to see lots of you at our June general meeting. It's good to be back and to enjoy the meetings and refreshments with all of you again!

Treasurer**

Citizens' Patrol

June was a quiet month. We're halfway through the year and we're at the point when the civic club takes a break. Please call if you have an incident and I will report on it in the newsletter when we resume in the fall. Enjoy your summer and stay safe. It's never too late to get involved in patrolling. Once again, if you would like to get involved and help keep your neighborhood safe, please give me a call.

**Thanks,
Mark Schultz
