

NO HOT WATER BUILDING 130 EAST HIGHLINE CIRCLE 6/28/2023

Dear Arapahoe County Health Department,

I am contacting you because our building with 23 families here at 130 East Highline Circle has been without hot water intermittently for the last 4 days. I have contacted the HOA and given them notice each time , but it appears the HOA and management company ACM do not want to fix the issue with no hot water.

We have notified them and they keep ignoring the problem with the building not having hot water for these 23 families living in this Highline Meadows Condos building.

Can you please perform an inspection and contact them about this Health issue with not having Hot water at this building.

I am forwarding this email to the management company ACM and Board of Directors here at Highline Meadows
