

ACM and Board of Directors not informing community of Money being spent for seven Months

Dear Colorado DORA,

I'm not sure if you can help. I live at Highline Meadows in Centennial Colorado and pay HOA dues each month. The HOA is not keeping this community of 298 members informed to how our money is being used. They are withholding the Financial Information form the Community.

I have asked them to provide the information ,but they will not.

Thank You,
