## **President's Message**

Hello Gulf Meadows residents.

I pray that all is well with everyone. I want to thank everyone that attended our last general meeting to hear Councilwoman Dr. Carolyn Evans-Shabazz. She gave us some very informative information about city services. It was an honor to hear her speak.

Also, nominations are still open for 2024 offices if anyone is interested in serving on the board. The board members will be voted on at the November general meeting.

Thank you again for your support. We are stronger together. It takes all of us to keep our neighborhood clean and safe. I hope I see you at our next General Meeting.

**Anthony Clark**  
President

## **National Night Out**

Thank you to all my friends and neighbors who assisted in making the National Night Out a success at my home.

Thank You again!

**Dorothy Vance**

## **October Speaker**

We would like to welcome Texas State Representative for House District 147, Dr. Jolanda Jones, as our speaker for the month of October. She has a proven track record of leadership, commitment, charitable work and teamwork.

Jolanda has and continues to improve the lives of her constituents and helps create jobs and opportunities for small and minority businesses. She is a different kind of businesswoman committed not only to business but to her family and humanity by bending the arc of the moral universe toward justice.

Please come out in full force for our last speaker of the year. Bring a family member and a neighbor.

## Help Needed for Newsletter Distribution

Your Civic Club is in real need of volunteers to deliver our monthly newsletters. Due to normal attrition with members getting older or moving away, those who have volunteered their time to deliver the newsletters are being asked to deliver to more and more houses. It has reached a point where we really need to reduce the burden on those who are carrying this load for all of us. To that end, here is a list of the streets that desperately need a new delivery person:

Arrowhead	7700 block
Catalina	7700 block
Fairgate	7700 block
Coastway	8100-8400 blocks
Misty Vale	8100-8300 blocks

I know all of you would miss having such a valuable resource hand delivered to your home each month, so please consider volunteering just a little bit of your time to help us continue to provide this service. We literally cannot do it without you. Please contact Robert Simmons (713-991-2937) or myself as soon as possible to sign up or get more information.

**Daryle Schultz**  
**713-991-3815**

## Do You Know We Have a Webpage?

We want to be sure that everyone is aware that the Gulf Meadows Civic Club does have a webpage on Neighborhood Link that you can visit to get information on our neighborhood. The following items are available at all times on the webpage:

1. Our monthly newsletter
2. Our deed restrictions
3. Our By-Laws
4. Our Officers and Board of Directors

To visit the web page, just type Gulf Meadows Civic Club into your search engine, and the Neighborhood Link info will appear. Once you are on our web page, you can click on the Our Info tab to see the officer info, or the Pages & Links tab to see previous newsletters.

If you take a minute to register, you will then get email notices of any changes to the web page. Just click on the Sign In link and you will be prompted to register.

## Citizens' Patrol

I did not receive any calls this month. However, it was brought to my attention that there was a police incident in the neighborhood. A man fatally stabbed his brother in the 8200 block of Garden Parks. You can read more about this on the news channel websites.

The weather has finally gotten cooler. If you have some free time this fall and would like to volunteer, think about the Citizens' Patrol. We have a very diligent group of volunteers that patrol, but we can always use you. Once again, if you would like to get involved, please give me a call.

**Thanks,**  
**Mark Schultz**

## Deed Restrictions

We are working to keep ALL Gulf Meadows residents safe. Listed below are some concerns that we feel are SUPER important!!!

- 1) Home address displayed very clearly – When one needs an ambulance, it is important to have an address displayed in the front of your home where it is easily seen. This could be the difference between life or death.
- 2) Too many cars parked at a residence – Some residents have many vehicles parked on streets. We realize that families have more drivers at home when children grow up, but we feel it is necessary that you use the garage and driveways more frequently, so that emergency vehicles can pass to provide services to the caller that needs assistance. Again, another life or death situation.
- 3) Racing through the neighborhood – If you have a young driver in your home, we ask that you talk with them about the importance of driving safely through this community. In the middle of the day or any time, motorists can be heard revving up engines and speeding through the community, which is very dangerous!
- 4) Running stop signs – Is a major epidemic in our community. We are asking ALL drivers to be more cognizant of stop signs, high speeds and pedestrians.

As always, we are working to keep Gulf Meadows a safe place for ALL to live and raise their families.

## Walter Jones Park

Walter Jones Park is clean and safe for kids to play.

### Voting News

#### New City Council District for our Neighborhood

Before we all go to vote this November 7<sup>th</sup>, please be aware that due to Houston redistricting, we will be in District I in 2024. Since the election for next year's city council representatives will be on November 7<sup>th</sup> of this year, you will be casting your vote for the District I Representative instead of our current District D.

### Hospitality

We welcome your presence this month to come out to hear our speaker and entertain your neighbor. Our board members will have a variety of treats, such as sandwiches, chips, fruits, water and desserts.

You are welcome to bring your favorite dish. For we are better together.

**Lula M. Tippit**

**713-991-1242, 713-304-3334 (Cell)**

### Treasurer's Report

Through October 16th we have received dues payments from 184 members. We are just slightly behind last year's total at this time of 188, but our magic number of 200 members for the year remains just slightly out of reach. Much appreciation to those of you that are continuing to pay your dues for this year. It really shows all of us your commitment to our neighborhood.

This will be my last term as your Treasurer, so if any of you have a desire to hold this post, please reach out to any board member to put your name on the ballot in November.

Thanks for your support!
