

Good afternoon City Heights,

We've recently received notice that our meeting space is no longer available to us this evening (and throughout the rest of spring).

We must cancel tonight's meeting as we look for another space to accommodate us (likely next Monday, 4/8).

Apologies for any inconvenience and we really hope to see you all at our re-scheduled CHAPC meeting.

Many thanks,  
Marcellus T. Anderson  
Chair, CHAPC.
