Members came forth at the Aug. Meeting and got no answers. In fact I didn't get an answer from you about the Drop Box. And I did answer Davon's calls each time with an e-mail response.

I email everyone back and said the meeting would be next week and Devon would let us all know. This is what I mean not even u Kathy R can say anything good about the board when u never return a phone call to Devon when he reach out to you. Everyone want to jump to conclusions. Please wait until board meeting and then bring up your concerns. All of this back and forth get NO one anywhere. And for Marilyn no one said they didn't believe her.
