What is there to discuss? Nancy is asking for the minutes of the last meeting and where the next meeting will be held? What would you say in a phone call that you cannot say in an e-mail! Mr. President, where is your 'transparency'? "We will discuss the matter" is no answer.

Nancy,

Thank you for your service. We will discuss the matter at our next meeting, tentatively scheduled for October 16, 2014. As always, feel free to give me a call at anytime.

Best,

Davon Ebert
