To: Davon Ebert

I will call Laura and have her schedule the cement work. This e-mail was in response to my questioning why Steve didn't come out here to fix the siding. GULP!

Our by-law committee is working very well and makes this monumental job a bit easier.

Kathy R.

Kathy;

If you remember Steve was to wait until the board meeting to find out what the board wanted him to do.

That meeting got cancelled---Steve said he cannot just go out and perform work on the siding without board approval and that is what he has been waiting for. SJ's hourly rate for our property owners is \$35.00 per hour. Let me know where you think we need to go from here.

Thanks a bunch
