Didn't Davon tell you to pay \$1000 to Bladerunners? If you haven't please do so as we voted on it and it passed. Please pay R & S and also Turf & Landscape. We have no reason not to keep up with the bills. I may come there to your office Friday or Monday. I hope you are going ahead and talking to the insurance company about Bladerunners. I see there is around \$11000 balance in checking with one big check to clear yet so with around \$9000-\$335-\$1968-\$1000=\$5697.00 we should go ahead and schedule the cement work which would include the cement replacement and two(2) brick fronts only which would total \$2438. He is probably backlogged. Hope this is okay with everyone and I think this is per our past discussions. We need to be careful as our repairs are getting high. We certainly are playing catch up.
