I just checked the Condo box and there are no HOA checks.

If Ron's figures are still good we should go with him. I am assuming Steve trusts that Ron will do a good job. We probably need to go ahead and get on his schedule to do 2 brick fronts on Bldg 2629 also besides the cement jobs listed. That would be a total of \$2418. I don't think that needs a vote; just an okay by the Board. I understand some occupant took it upon himself to "glue" the brick front back onto the building.
