Nancy has the letter for you to sign, call her. There is no story about Kathy, it is as you read in the past meeting minutes.

Thanks for the information. Couple of things: Did the Hawkeye letter get sent? If so, who signed it? I was back on Thursday as I said I would and am still ready to sign the letter. Also, what is the story on Kathy B not doing anything? It would be good to understand so I know who to delegate to and who to rely on. Have fun in Rockford. Thanks again.

Best,

Nancy took info over to the Burns this morning. The insurance quotes won't be available until after July 1 at the earliest as they won't quote that far out.
We will meet some time next week to discuss the Bylaws. The reason we want to get moving on this is because the one who will work with our group has the summer off. She does not want to be on a committee and I agreed she could be a helper in our group just for the summer months. Either Nancy or I will be helping if not both of us at least until Cindy gets back. I am not sure Kathy B will do anything.
The reason I didn't answer your call was because I was driving and Roger was sleeping. We are in Rockford IL for family grad party and wedding shower.
Want you to know, Steve told me that siding is burnt in back of the 8 plex at 3810. Did you notice the stop sign and the private drive sign?
