I think my assessment should be cut in half after the call I took this morn. She said she absolutely cannot pay that much, wondered what would happen if she didn't pay, and wondered why we just didn't raise the condo fee. I referred her to Laura after reassuring her, especially about her not paying for any hail damage which really bothered her. Took another call just like hers. Laura will be busy, I'm afraid.

In that case, I move that the Treasurer's assessment be doubled!

All kidding aside, it's always perfectly safe for a governing body to strive for fairness.

As a board, we'll do our very best to be firm yet fair & decent to all of our members.

Best, Davon

Life isn't fair. I have had 70+ years to get used to it!
