I would happily agree to the changes as we all want to be productive members doing the best we can. I only have one reserve with Davon not being available during business hours when we have met with R & S but I am sure that can be worked out.

Subject: Board meeting

We had a productive meeting and are trying to get ready for our May meeting. I voiced that while Nancy and I both like being on the Board she would like to step down as secretary and I would like to step down as President. I am very willing to take over as secretary and Nancy wants to remain as a Board member. Davon has related he is excited by the challenges and would accept the position as President. He would be willing to do this as of February 04. I feel these position changes would be a huge benefit to our HOA. Erna and Rudy have voted to accept these changes and welcome Davon as our President. I need a vote from both Kathy Barfels and Kathy Rasing on this. I really did enjoy being President but am having a rough time "letting go" of some of the stress involved. I want to remain an active member. I think Davon would bring much needed expertise to the job of President and will give us excellent leadership. Please return your vote to me per email. Thank you
