Problem Properties-Continued

We told you last month that we are working with 2nd Precinct and our Crime Liaison representative regarding issues in Beltrami. This month we will feature a form you can use to

submit your issue to Diane Hofstede's office. A Community Impact Statement is used by Council Members, Police Officers, Probation Officers, City and County Attorneys and the courts to show the negative "impact" an individual has on a community. This is the community's opportunity to speak out on individuals or businesses whose activities affect their sense of safety and well-being in their neighborhood. Here is a sample of a Community Impact Form.

Please fill out the form below and fax it to Third Ward Council Member Diane Hofstede at (612) 673-3940 or by U.S. mail to the Third Ward City Council office located at 350 S 5th Street, Minneapolis, MN 55415. Please call our office at (612) 673-2203 with any questions.
