## County Dumpster Coming May 9 to May 11, 2006

Please mark your calendars - the County Dumpster will be located at the Community Lot on Tydings Road from May 9 through May 11, 2006. This is a great time to clear out that attic and de-clutter those garages. Please make sure that you do not dispose of any of the items or products that are prohibited.

## New Community Logo Contest

It seems to us that as a matter of Community pride we should have a new logo that represents this Association and the Community, that we can use on Association Letterhead and Correspondence.

With so many talented people in this neighborhood, it will be fun to see what you come up with! The Contest Rules are really simple.

Submit to the Secretary, your ORIGINAL design drawing on a sheet of 8-1/2"x 11" white paper, with your typed name, address and phone number. Drawings/text must be appropriate in content for the general public to be accepted as an entry. The acceptability of content will be by sole determination of the PPCA Board of Directors. Deadline for all entries will be May 15, 2006. Winning entry becomes the copyright property of PPCA. Submissions cannot be returned.

All entrants will receive fair and equal treatment, and those Logo Entries submitted will be presented to the Community Members for a Popular Vote. One entry per household. All entries must be made by a PPCA Member only. (the name of the submitters of entries being voted upon, will be secret until the final winner is chosen). The Logo Entry that receives the highest number of PPCA Member votes is the winner. In the event of a tie vote, there will be a runoff vote taken by the PPCA Members. The Winning Logo will be adopted by Resolution of the Board of Directors, and henceforth may be used in conjunction with the Podickory Point Community Association name.

More details will be

available at the Spring Party.

## **Did You Know...**

The 2004 Maryland General Assembly passed a law (Senate Bill 568) which permits condominiums, homeowners associations, and housing cooperatives to provide meeting notices and deliver information to owners by electronic transmission (e-mail/web) where certain conditions are met. Such transmissions must be capable of creating a record, which may be retained,

retrieved, reviewed and reproduced in paper format by the recipient.

The PPCA Board has asked that those Members who are willing to accept email transmissions of PPCA information, notices and Association business correspondence, please provide your email address to Dieter Grotheer, Treasurer. This will inevitably save some money in mailing costs. Your email address will NOT be published in our PPCA telephone directory.

This will not preclude those Members who do not have access to e-mail, from receiving printed mailings of the PPCA correspondence via the USPS. If you have any questions or need further information, please contact the PPCA Secretary, Ginny Jones 410-757-0845.

### **GET INVOLVED!**

**PPCA needs participation for Community Emergency Disaster Preparedness to compile lifesaving or crisis management tools & services & volunteers within our neighborhood. Can you help?**
