Summer 2006

MEET YOUR NEIGHBOR

Nelle Waldroff

By Maria Sworske

Meet Nelle Waldroff, a longtime resident of Montavilla. At the tender age of 16, right out of high school and during war time, Nelle went straight to welding school.

She worked for Keiser Shipyards at the Oregon Shipyards on the other side of the St. John's Bridge. Nelle was a gas pipe welder until she entered the Marine Corps. She worked as a secretary to a commanding officer.

During the war years, trolleys ran from Stark to Burnside on 76th and most of the way downtown on Burnside. Nelle rode them downtown quite often. They were quiet, had no fumes and didn't require tracks. The wires above them were deemed unsightly and the trolleys were taken out of service for this reason.

Nelle moved to Montavilla in 1950. Her former home was located near the Safeway at SE 82nd and Burnside. She recalls many of the retailers in Montavilla during the 1950's. At one time Stark Street west of 82nd Avenue was a small village, like a mini-town. A hardware store stood on the south side of Stark. A Fred Meyer store occupied the block of the current Lewis Rents, near the newly restored Academy Theater. Roy's 5 and Dime,

PRESIDENT'S MESSAGE

Hello neighbors,

The newsletter committee has done a great job putting our newsletter together. Our hope is that this will keep you informed of what's happening in our neighborhood. This newsletter will give you the opportunity to meet interesting neighbors and encourage you to support our local businesses. I've had a very busy two years as the Neighborhood Association President.

Montavilla is an active neighborhood and has made it to the small and large newspapers more in the last few years than we ever have in the past. This is a good thing, the city is watching and realizing neighbors talking with neighbors can bring change to our neighborhood.

Lots of great things are coming together. I would like to thank each one of you for helping put Montavilla back on the map. I look forward to our continuing success.

Our website will be another place to keep up-to-date on meetings, events, discussions and more.

Visit the following website:

www.neighborhoodlink.com/portland/montavilla
or just call me, Sandra McDaniel (503) 257-3346.

MONTAVILLA NEIGHBORHOOD ASSOCIATION MEETINGS

Every second Monday of the month
7:00 p.m. - 9:00 p.m.

May 8, June 12, July 10, August 14

Montavilla Community Center
82nd Ave. & Glisan
Main Meeting Room

COMMITTEE UPDATES

COMMUNICATIONS

The MNA Communications Committee is looking for volunteers to assist with the publication and distribution of the Montavilla Newsletter. We meet at 6:30 p.m. the first Monday of every month at the Montavilla Community Center (82nd Ave. & Stark). We are in great need of writers, photographers, editors, graphic designers, distributors, and advertisers.

The Montavilla Newsletter is published quarterly (May, August, November, February). We are interested in stories of local interest, information on local businesses and volunteers to distribute newsletters in their neighborhood.

If you'd like to help the Communications Committee or need more information, please send an email to: montavillanewsletter@yahoo.com. We meet the first Monday each month, 6:30pm at Montavilla Community Center. ■

LAND USE & TRANSPORTATION

The newly formed MNA Land Use Committee has been busy getting up to speed on planning and development that impacts our neighborhood, and is working to develop a set of guiding goals, priorities and action items.

The committee recently gathered input from Montavilla residents on neighborhood assets and land use issues needing attention. Neighborhood assets mentioned include: good connections to freeways, bus and MAX; diversity of housing type and population; and relative affordability. Desired improvements focused on street and sidewalk improvements; traffic calming and pedestrian safety; increased bike lanes; and development of business districts.

If you are interested in helping with any of these issues, contact Sarah Selden, Land Use Chair, sarah@sarahbode.com.

The next Land Use Committee meeting is Sunday, May 21, at 10 a.m. at the Bipartisan Cafe (SE 79th Ave. & Stark), and everyone is welcome. ■

Vestal Elementary Safe Routes to School

The area around Vestal Elementary School, located on NE 82nd between Everett and Couch, will be receiving \$25,000-\$40,000 in traffic engineering improvements from the City of Portland through the Safe Routes to School Program. Vestal parents, staff and community members are working to identify their top priorities for improving

Continued next column

Vestal Elementary Safe Routes *continued*

safety around the school. Potential engineering improvements include:

- Pedestrian refuge islands and marked crosswalks at 87th Ave. & Glisan, 80th Ave. & Glisan, and 80th Ave. & Burnside.
- A widened sidewalk in front of the school, separated from the curb by four feet.
- An island-type diverter to prevent cars from turning west onto Everett from 82nd Ave. (wrong way on one-way street)

Construction of improvements are scheduled for this summer. For questions or additional updates, contact Sarah Selden sarah@sarahbode.com. ■

NELLE WALDROFF *continued from page 1*

a shoe store, a Sears Drug Store, Johnson's Red & White Grocery, a butcher shop, a barber shop and a beauty shop all used to exist on Stark. Dickson's Drug was one of the last original businesses to close. In fact, it was in business longer than any others. The original post office was around the corner. Several years ago a building burned down - the former Montavilla Department store. Teeny's Department store was just across the street.

During the 1960's an earthquake left a crack on 81st Ave from Burnside toward Stark about two blocks long. Jackhammers were taken to the crack to create a "V" shape in order to fill it up.

In 1966, Safeway bought Nelle's home on 81st Ave. and she bought her current home just north of Glisan, so that her youngest son could attend Madison High School.

Nelle is writing a book about her adventurous life. So far she's up to when she moved to Montavilla. ■

Are you a working parent who needs help getting to work?

Ways to Work can help you get a low-interest loan to refinance or purchase a car up to \$4000, or to repair your car up to \$500.

Ways to Work will also help you plan your family budget and meet your financial goals. To be eligible for a Ways to Work car loan you must be a parent working for at least 20 hours a week for the past 3 months and have a household income less than 80% of the Portland median income (80% for a family of 4 is \$54,300). ■

To learn more about Ways to Work contact Bina Patel at 503.232.0007, extension 303

Montavilla Neighborhood Association Newsletter

The Montavilla Neighborhood Association newsletter is published quarterly (May, August, November, February). The deadline for articles is three weeks before the beginning of the publication month. The Montavilla Neighborhood Association (MNA) reserves all rights, and all submissions will be edited for clarity and length. Reproduction in whole or in part without permission is prohibited. To place advertising or submit ideas, send an email to: montavillanewsletter@yahoo.com

LABYRINTH AT SAINTS PETER & PAUL CHURCH

By Maria Sworske

Something interesting is emerging on the south lawn of **Saints Peter & Paul Church** at SE 82nd Avenue & Pine. A dedicated group of volunteers from the church is building a labyrinth.

Photo by Maria Sworske

Sue Hiscoe of the Labyrinth Committee explains, "A labyrinth is not a maze, with tricky twists and deceiving choices. A labyrinth is what the stuff of life is made of, twists and turns and comings and goings. One moment you are walking alongside your old friend. The next turn, you are separated, each going an opposite way. You'll both always end up in the center. Spend as much time there as you like. Eventually you must journey back out."

The Labyrinth Committee plans to construct temporary labyrinths, all on the same spot or lawn area, during the next year or more. First they will lay out the simplest labyrinth pattern to construct – the Cretan design, so named because it is found on the isle of Crete. Beginning with a cross, the arms of the cross are extended and wrapped around in seven circuits. This design will be in place a while, for people to try. The committee is considering other patterns such as the Chartres and Celtic triple spiral.

Photo by Maria Sworske

The labyrinth will always be open to the public, and the church welcomes its use by anyone. Try walking the circuits; share your feedback on which designs you like the best, and any other observations you'd like to share. ■

Do you have news to share with your neighbors?

Share it in the Montavilla Neighborhood Newsletter! The MNA newsletter is published in May, August, November, and February. *The submission deadline is three weeks before publication date.* Send your stories and ideas to montavillanewsletter@yahoo.com

JOIN MONTAVILLA NEIGHBORHOOD ASSOCIATION TODAY!

By David Linn

Do you have a desire to make a difference? If you want to take part in helping make Montavilla the greatest community, then the Neighborhood Association is the place for you.

The Montavilla Neighborhood Association (MNA) is looking for residents who want to create a "spark" in their neighborhood. This is a great way to meet your neighbors and to enhance our Montavilla neighborhood!

Here's how you can get involved:

- Attend a monthly MNA meeting
- Deliver quarterly newsletters (articles are always welcome) and occasional flyers to your neighbors
- Serve on a committee such as communications or land use & transportation
- Create an annual block party for your neighbors

These are just a few ideas, but If you want to learn more about the Montavilla Neighborhood Association in general, please visit our website at

www.neighborhoodlink.com/portland/montavilla

or contact David Linn at (503) 419-7805 or

davidlinn@gmail.com. ■

NATIONAL NIGHT OUT

From July 28th to August 5th, residents across Portland and the entire country will celebrate National Night Out (NNO) with neighborhood barbeques, block parties and local celebrations. August 1 is the official National Night Out.

The goal for the Montavilla Neighborhood Association (MNA) is to have 100 block parties or barbeques going on during this time in commemoration of the 100th Anniversary of our neighborhood's annexation into the City of Portland.

If your street is planning a party in celebration of NNO, send an email to montavillanewsletter@yahoo.com and post it on our neighborhood calendar via the Montavilla Yahoo! Groups Listserv. For more information about National Night Out, visit www.nationalnightout.org.

This event brings neighbors together, heightens awareness of how neighbors can participate in improving their local neighborhoods and raises awareness for crime and drug prevention opportunities. It starts with you! Begin talking with your neighbors today about what your street will do to work towards a better Montavilla! ■

WELCOME NEW MONTAVILLA BUSINESSES

Glo Loca

There's a new cafe and bistro in the neighborhood. **Glo Loca** is situated on the first floor of a corner building at NE 79th Ave. & Glisan. Glo Loca stands for "Global, Local" offering fresh local products with a global theme. The base menu consists of sandwiches, soups, salads, and a variety of pastries and baked goods. Coffee and natural juices are offered along with a variety of wines and beer. A perfect compliment to the relaxed cafe.

Tetsuya Imanishi and Maylorie Townsend, owners of Glo Loca, support the community, students, local vendors, farmers, artists and families. For students, the cafe offers free house coffee refills and 10% off food items. Everyone can enjoy the free wireless Internet and free use of the house computers. Artists are welcome to display their pieces in the cafe's growing showcase of local art.

A few afternoons a month, Glo Loca offers after-school story time for children. The theme is "stories from around the world." Other activities being organized include African drumming, karaoke night, live music on weekends, art, music or foreign language classes.

Don't miss a beat, stop by and check out the food and other offerings from our new neighbor. ■

Knitt'n' Kitten

Knitt'n' Kitten, a family-owned alternative fabric store opened on May 13, 2005 on NE 75th Ave. & Glisan. Ethel and Rome, mother and daughter owners, enjoy chatting with customers about various craft projects. The store includes a vintage linen room, vintage fabrics, hats, scarves, purses, and various gift items.

Knitt'n' Kitten caters to quilters, jewelry makers and even teachers, because of the affordable prices. Several church charity quilting groups visit the shop. Their quilt creations are sent to orphanages in Russia and Mexico. Other sewing groups buy fabric to make quilts for Doernbecher and other children's hospitals.

Start a knitting project by visiting Knitt'n' Kitten. ■

Laura L. Donaldson, Attorney at Law

Another recent addition to the neighborhood is **Laura L. Donaldson, Attorney at Law**. She specializes in bankruptcy, personal injury, and estate planning. Atty. Donaldson has been at NE 75th Ave. & Glisan since November 2005. With the neighborhood experiencing growth, she and her assistant moved the practice to Montavilla.

Since she began practicing law, Atty. Donaldson always had an office on the eastside of Portland. During the years she has met many wonderful clients that she wants to remain conveniently located to meet their needs. With off-street parking, Atty. Donaldson strives to provide personal, friendly and professional service.

She provides free initial consultations in the areas of bankruptcy and personal injury. If you are in need of legal services, visit Laura L. Donaldson, Attorney at Law. ■

Bui's Natural Tofu

Bui's Natural Tofu opened in July 2005 on SE 76th Ave. & Glisan, specializing in tofu.

Each night in the back of the store tofu is made fresh for many local Asian markets, restaurants, and walk-in customers. First, dry soybeans are soaked.

Then, the soft beans are ground and cooked. Last, the tofu is formed and cut into a variety of flavors including plain, vegetable (their most popular), and lemon grass to name a few.

Tofu, a good source of protein, appeals to the mainstream, as well as vegetarians. Bui's makes and sells other delicious food products, such as desserts made with sweet rice and ground mung beans. Seating is available in the modern cafe. For your next stir fry, stop by Bui's for an order of tofu. ■
