Happy Spring!

April 2007

I am glad that I get the chance to write the HOA Board message for the month of May. I would like to thank everyone for their vote and their support. This is a very dedicated board and I am happy, once again, to be serving in our community.

I used to work in the Emergency Room at LDS Hospital and thought that I had seen everything until two summers ago when I watched a life guard at Lagoon save the life of an 18 month who had wandered away from her mother and was found at the bottom of the Kiddie Pool. The outcome was very good but it is something that has stayed with me.

Summer is fast approaching and that means more time for being outside, talking with neighbors and friends and enjoying the warm weather. Our children will be especially happy when the swimming pool is open. It is so important for parents to talk with their children about safety in and around the pool. Rules related to the pool and hot tub have been included with this newsletter so we ask you to take the time to go over these rules to make sure everyone, adults and children understand the rules. They are in place for the health and safety of everyone who enjoys spending time around the pool.

In this community, we have the best children in the entire State of Utah.

All of us, those with children and those without children, want each child to have a wonderful and enjoyable summer experience. If one child gets hurt because of the carelessness of others it would certainly affect each household in our neighborhood.

Go outside, enjoy the weather, get to know your neighbors and as you do we ask that you are mindful of others around you, especially our younger neighbors. Eldon and I have children all around us and we are so lucky to know them by name and they know us by name. Grady Desjardins lives next door and he makes a point to say Hello, that just warms the heart, or when little Annie McEntire from her bedroom window across the street yells to Eldon, "Hi Eldon" or Filia Britton brings her parents over on Sunday evenings to enjoy Popsicles and of course there are three little girls who live on Pine Flats Ct. that just love our dogs. I could go on and on about the wonderful children who live here. Somebody stop me! ☺

Please know these rules are there to protect everyone who lives in the Oquirrh Park Community. The rules will go in effect as soon as the pool gates are opened. There will be no warning given, it's too hard to track and this newsletter is serving as everyone's warning. Our Activities Committee has some great events planned for over the summer months that will involve the pool and the common area, we hope that you participate in these activities. Have a great spring and enjoy yourself at the pool.

Lend a Hand!

South Jordan's Country Fest is Coming and will be held on June 29th and 30th. Our very own Eldon Auger is on the planning committee and will be in charge of the Pepsi wagons on those two days. He is looking for volunteers who can fill in the schedule below. This would be a great way to show some community spirit and have chance to get to know your neighbors. So make plans to go to Country Fest with the family, and add some community service for good measure. Give Eldon a call at 254-8734 .

Some Important Pool Information

Dear Residents,

As the summer approaches so does the excitement and anticipation for the opening of the pool. We would like to take this opportunity to remind everyone of their responsibilities when using the pool and hot tub. The rules that are attached come from the Salt Lake Valley Health Department (SLVHD) Health Regulation #2. Even though our pool is not open to the general public, we are still required to follow the commercial pool operating regulations. The SLVHD has the authority to fine the association and close our pool. We do not want to see the pool closed or the association fined. We are asking that everyone follow the pool and hot tub rules and encourage others to do the same. Please take a few moments to read through the rules, so that all residents can have an enjoyable time while using the pool and hot tub.

If anyone is interesting helping with the pool and hot tub, please give me a call at 253-2084.
