

FOR BRIGHTER FUTURES

Family Service Early Intervention is proud to offer:

More Than Words

The Hanen Program® for Parents of Children with
Autism Spectrum Disorder

Summer 2006

Facilitated by Holly Flanagan, MS, CCC-SLP
A Hanen® Certified Speech-Language Pathologist

If you serve young children with their “**own agenda**”, a diagnosis of **Autism Spectrum Disorder**, a diagnosis of **Pervasive Developmental Disorder**, or any type of **social communication disorder**, this program is a valuable resource for your families.

The *More Than Words* Hanen Program® is a parent education series specifically designed to give families strategies to help break through the more difficult communication barriers and social challenges associated with ASD or other related disorders. The program includes 8 interactive evening sessions, and 3 individual home visits for communication coaching between parent and child.
