WINTER HAS ARRIVED

Luckily we have had a very mild Winter so far. As most of you know that can change very quickly.

Please keep the roads and parking areas clear during the winter months so the plow trucks can clear those areas.

If you at any time have problems with the road conditions all concerns and questions are to be addressed to the road master.

We have contracted with Floods Landworks Ltd. To maintain our roads for the Winter of 2006-07.

The Brodhead Creek

ANNUAL MEETING COMING UP IN MAY

Please Mark your Calendars and come to this years Ski Haven Lake Estates Annual Association Meeting.

It is in your best interest to come.

This year we will be voting on a various number of issues.

You must be present to vote. Any matters voted on the majority rules.

We will be sending out a letter with the issues that will be voted on, along with the annual dues statement and

Date Time and Place. We would like to make a request that you send in your dues prior to the meeting if possible. This would help in having a more accurate idea of where we stand on dues that are owed to the Association.

CHANGES TO THE BOARD

At our Dec 3rd Board Meeting Ben Parlor (President) announced that he would have to step down from his

current position. He will remain as a board member.

Alfonso Alcorn (Vice President) has taken on

the position of President.

The Vice President position is currently unfilled.
