Your assistance in keeping your neighborhood clean is critical to meeting this goal.
Following are a few helpful hints and reminders:

DOs and DON'Ts

DO avail yourself of the City's Brush/Bulky or neighborhood cleanup services;
DO keep your yards free of weeds, junk (including inoperable/unlicensed vehicles) and debris;
DO keep your alley clean up to the midpoint of the alley;
DO report illegal dumping anywhere in the neighborhood by calling 911 if you witness it or 791-5843 if you know of a location. ***CHAPTER 16 Neighborhood Preservation Ordinance 10126 Sec. 16-33, Placing refuse upon the property of another or public property; Illegal littering or dumping prohibited; persons responsible.***

DO NOT use the alleys to store brush/bulky materials that you want to dispose of;
DO NOT store materials that take up more than 25% of your yard or that are visible from the street, - remember junk and debris are not permitted to be stored at all in your yard;
DO NOT allow standing water to remain on your yard as this may breed the West Nile Virus bearing mosquitoes.
