## Miller's Ridge Association General Meeting

The next Miller's Ridge Association General Meeting was held on 6 March, 7:30 PM at St. John Nemann Catholic Church. In this meeting we talked about the Miller's Ridge sign and the need of repairing it or replacement and decided on trying to restore the sign. We also a member of cities Dispute and Resolutions talk to us about their agency. Deputy Lopez discussed the C.O.P program and crime tips and Rachel Trinidad discussed the Youth Crime Watch program. One of the issues that were also discussed was animal control.

## Miller's Ridge Sign

We are currently looking into either restoring or designing a new sign for Millers Ridge. To help fund the restoration or new sign we will need the help of many of you in our community. We are considering fund raisers to help. One of the fund raisers is an auction. Items are need so if you have something that you wish to donate for this auction, you can call or drop them off at Richard Fields home. If you are interested in helping with any of the fund raisers, such as our upcoming dinner, please email us. We still need volunteers to help sell the tickets.

## Garage Sale

We are planning to hold the next garage sale on 31 March and 1 April 2007. This will give everyone a chance to clear out your garage and homes of items that you have not used for a while and want to get rid of. This event is open to all Miller's Ridge residents.

## Dump Your Junk

Currently this Dump Your Junk weekend is scheduled for 14 & 15 April. It will be in the same location as our last one, at the old Duck pond area. This years Dump Your Junk Weekends will be for paid Miller's Ridge residents only. Not to worry, if for some reason you have forgotten to pay your dues for this year, we are willing to collect your money and you can still participate in our Dump Your Junk weekend. There are items that cannot be picked up. They include:

- Paint/Paint Products
- Herbicides
- Rust Removers
- Aerosols
- Batteries
- Automotive Chemicals
- Fluorescent Tubes
- Chlorine Bleach
- Drain Openers
- Lubricants
- Pesticides
- Cleaners
- Used Motor Oil/Filters
- Hobby Chemical
- Antifreeze
- Corrosive Chemicals
- Biological Waste
- Radioactive Materials
- Ammunition
- Explosives
- Fire Extinguishers
- Gas Cylinders
- Commercial Chemicals
- Containers over 5 Gallons

## Membership Information Update

Here is an area that we as residents can improve on. Currently only 40.77% of the residents in Miller's Ridge have paid their membership for the year. Chelseawood has the highest percentage of paid members. The dues that Miller's Ridge residents pay each year goes towards providing goods and services for the neighborhood. It also goes towards paying for our neighborhood utilities, flyers, the street sweeper, the reconstruction of our neighborhood sign, lighting for the pond area, and many other activities that benefit our neighborhood. Paid MRNA members can also run ads in this monthly news letter. Although this fee is voluntary, without it many things that we enjoy in our neighborhood would no longer be available. There are very few neighborhoods in San Antonio like ours. Many neighborhoods require yearly dues that are far greater and will place sanctions or leans against those that do not pay.

## Neighborhood Safety and Security

Just a reminder to be security conscience. Being aware of neighborhood activities and reporting suspicious behavior can help to reduce criminal activity.

## K and D'S LAWN SERVICE
