Neighborly Trick-or- Treating

We would love all of our community members to participate so our children can have a memorable and fun evening gathering goodies.

Tricker Treater's will be looking for your light to be ON telling them you will be giving out Treats.

Trick or Treat Safety Tips

1. Trick or treat in a group, or with your parents!
2. Wear reflective strips or light-colored clothes. Or carry a glow stick or flashlight (it gets dark out there!).
3. Wear make-up instead of masks so you can see better. If you wear a mask, make sure the eyes are big enough.
4. Keep your pets inside, so nobody plays nasty tricks on them!
5. **Have a parent check all your candy before you eat any of it.**
6. Don't eat candy that isn't in it's original wrapper.
7. Make sure your costume isn't so long that you trip over it!
8. Be careful crossing streets. Follow all the regular rules!
9. Don't accept rides, even if the next house seems soooo far away!
10. Don't go inside anybody's house. Stay on the porch to get your candy.

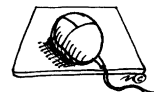

And most importantly... HAVE FUN!!!

Neighborhood Watch

Notice!!!!

Sergeant Crump will coming on **November 1st** for our Neighborhood Watch meeting. The meeting will start **6:30 PM at 503 Railway Place**. Southern Chase is also a formally recognized Concord neighborhood now and will have our own city liaison! What does this mean for Southern Chase? Come to the meeting to find out!
