From the Board President, George Gilbertson

March is finally here which means that spring is about three weeks away. Now is the time to start that spring cleaning and getting the garden ready for the summer.

Just a warning, don't get in too much of a hurry. The last freeze date is in the middle of May so you probably want to wait a while before putting in those delicate annuals. As I write this the weather forecast for the next ten days looks pretty good but I know that there will be freezing days ahead.

If you have checked the minutes

from our last meeting, you will notice that the Board is sprucing up as well. We will be having some of the fencing painted and we will have the shade awning installed at the pool in time for the opening.

Last year was a good year and we have increased the reserve fund to about \$145,000. We will be spending some of this on the shade awning as well as some expected repairs to the pool parking lot.

We are looking forward to a good year and hope all of your thumbs are green.

Happy St. Patrick's Day!!
