"We are here to serve, help and improve
our neighborhood"

Vol: II

August, 2007

LAST GENERAL MEETING: Was held on 14 August with the main topic was the new By-Laws. We went over them and were discussed and a vote was taken. A few amendments need to be made and will be presented at the **next General Meeting**. This will be **September 11 at 7:00 PM at Summit Ridge Club House**. The sign was brought up again and very little work has been completed due to rainy weather.

MILLERS RIDGE SIGN: Robert Whitehead is asking for volunteers to assist him with this project. Another work day will be planned and the MRNA will be notified as to when that day shall be.

NEIGHBORHOOD SAFETY AND SECURITY:

Keep those porch lights on neighbors; this is for the safety of your homes and family. Plenty of light will deter criminals and help lower the crime rate in our neighborhood. Special thanks to Barry Hunt for a job well done in patrolling our neighborhood. Again HIGH grass makes a great hiding place for burglars, snakes and rats.

FLOWER POWER: All ladies/men interested in planting flowers please call me, the tree has been cut down and now plans need to be made on production of "The New Flower Garden". Please contact Mrs. Pose (657-0620) or Mrs. Steel (657-5516) and we know that Ms Gilg is also interested in helping. Let's form that committee and MRNA will have their own "Garden Club". You may call me at 655-0357 and Thanks guys.
