December 2006

Seasons Greetings

As we approach 2007 we need to bring 2006 to a close. On behalf of the Communication Committee, we would like to give a very much deserved **"Thank You"** to the volunteers who dedicated their time to keep the Property Owners Association running.

This year we accomplished many new ideas and traditions. The first was the Annual Yard Sale. Be looking for the Spring Yard Sale in April. Additionally, the Association held an Easter Egg Hunt at Diamond Lakes. This upcoming year we hope to see more eager egg hunters. Raymond Morris collected over one thousand dollars for the Reward Fund. The Youth Committee was also started in the later part of the year. The committee's first event was a

HUGE success. The children in the neighborhood held a food drive and collect over 700 pounds of food. The Sitters Club has also been

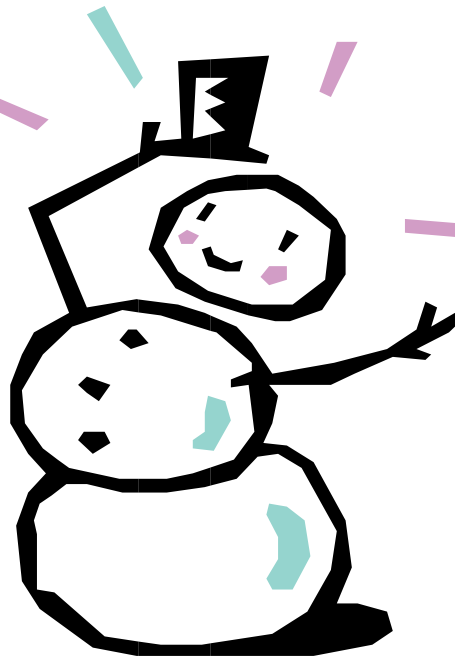

formed within the Youth Committee.

In 2007, we hope to see NEW FACES to help build our community. Time is precious but allocating a portion of it to the Association yields a positive return on your investment. Even if it is a couple hours for a special event or passing out welcome packets to the new residents, it ALL helps to make your neighborhood you live in a SPECIAL one.

Merry Christmas to all the families in Cambridge.

Happy New Year
