From the Board President, George Gilbertson

During this year, the Board will be working on our documents, particularly the Covenants, Declaration of Restrictions and the By-laws. There are several changes that we think should be made. Most of the changes involve bringing the documents up to date with regard to new materials and correcting some deficiencies. We are also looking at changing the method and timing of changes to the documents to make it more practical to make changes in the future.

the proposed change on our web site. We plan to have all of the proposed changes done by the end of the year for your review. The next annual meeting, January 14, 2008, is when we will hold the vote on the changes.

For those few of you who have not paid their dues yet, now is the time. They were due on January 1, 2007. You are now late and are subject to a late fee. Please help us out and get the payments in ASAP.

During the year, we will be posting

Happy Valentine's Day!!

Congratulations Bell Ringers!!

Thank you and congratulations to all the Salvation Army Bell-Ringers this past Christmas season. Because of you, for the SECOND year in a row, out of over 20 Olathe District Salvation Army bell-ringing locations, our bell-ringing at Hy-Vee took in the most contributions -- \$13,320! And not only that, we surpassed total donations from last year by 21%! And not only that . . . we were in the top five for all bell-ringing locations in the Kansas City area (hey, we can't compete with Oak Park Mall!). One of the main reasons for our success is that our bell-ringing station was manned almost continuously from November 10 through December 23rd, over 150 two-hour shifts, totally by volunteers. Of that \$13,000, 93% goes toward feeding and housing people, helping them get jobs and helping them through difficult times.

On behalf of all of us and the Salvation Army, thank you again so very much for volunteering your time.

STUDENT GOVERNMENT LOOKING FOR HOST HOMES

The student government at Blue Valley Northwest is looking for host homes that will house visiting student leaders. In June, the school will be holding the 71st National Association of Student Councils annual conference, in which members of student governments from across the nation will attend. As a result, the school is asking local residents to share their Midwestern lifestyle with the visiting students. The school needs a total of 450 host homes that are in the Blue Valley Northwest and Blue Valley West attendance areas from June 23rd to 27. The requirements include:

- Provide one bathroom per every three students and one bed/air mattress/couch/sleeping bag per student housed
- Provide transportation pick-up for the students from BVNW to your home on the first day, June 23rd
- Pick up students' luggage from a neighboring school on the first day, June 23rd
- Provide one main dinner on the first evening, June 23rd
- Have the students up bright and early each morning for breakfast and ready for the bus pick-up

For more information call Dorothy Long at Blue Valley Northwest 239-3412.
