NATIONAL NIGHT OUT

TUESDAY, AUGUST 5

National Night Out is a national event which is held annually for the purpose of blocking out crime. This year it will be held on Tuesday, August 5 at the residence of **Roger and Ruby Hackett's** home located at **1019 Meadowview Drive**. The event will begin about **6:30 pm** and will end with a flashlight neighborhood walk.

Formed out of the **Block Watch** program, National Night Out is a chance for neighbors to come together to block out crime in their communities. The best defense against crime is to have well-connected, vigilant neighbors.

Meat, drinks and table items will be provided by our civic association. We ask that each family bring a covered dish of some nature: such as relish trays, main dishes, salads, chips & dip, desserts or fruit. Also, please **bring a chair** to sit on. This is a great opportunity for you to meet your neighbors and some of the new residents who have moved into our neighborhood.

As we enjoy a shared meal with neighbors, we would also like to share the same opportunity with other families. We are asking everyone who attends the National Night Out event to **donate a can of food**, soap, toilet tissue, dish detergent or any other **household items** that are used daily in the home. Containers will be provided. The collected food and other donated items will be given to the **Maize Road Baptist Church** to distribute. Anyone in our area who is in need of these collected items may contact **Rev. Brett Castle** at 263-9901.

If you are unable to attend this event, please show your support by **turning on your outside lights** and maybe joining us as we walk through the neighborhood. To conclude an evening of good food and fellowship, we plan to light up the night with a **flashlight walk** through the neighborhood about **9:00 pm**. Ask your friends to join you in your own walk.

Please plan to bring your flashlights, a little food and a friend as we come together to block out crime in our neighborhood.

If you have any questions, please call Ruby at **267-2068**.

**HOPE TO SEE YOU ON
TUESDAY, AUGUST 5 for the
POTLUCK and FLASHLIGHT WALK**

Sunny Days and Stormy Nights

It seems that Columbus has seen a bit more rain and heard a few more rumbles of thunder in the recent weeks than residents are used to, prompting us to provide you with information that will make your family as safe as possible.

Make sure your homeowners and/or renters insurance is up-to-date and has adequate coverage for your families needs, hopefully you'll never have to use it but it is far better to have the piece of mind that is there when you need it. To further protect your home from water damage, be sure to clean out your gutters and make sure that drainage systems are clear of debris. It is also important to keep **sewer openings** free of grass clippings and leaves.

For the most up-to-date watches and warnings, every home should have a weather radio. The **National Weather Radio** broadcast requires a special radio receiver that is available at most major retailers for as little as \$20. The National Weather Radio and the Emergency Alert System will provide your home with weather warnings, post-event information in the result of a national disaster, environmental or chemical situation and public safety announcements such as the Amber Alert System. The NWR does not endorse any particular brand or make of radio but offers these suggestions when shopping for your radio. The radio you purchase should have a battery backup, an external antenna jack and for convenience, SAME technology. SAME or **Specific Alert Message Encoding** allows you the pinpoint the area you would like to receive alerts about thus eliminating most false alarms. Please make sure that your family is prepared in the event of any emergency; keep important phone numbers posted clearly, arm your home with **fire and carbon monoxide detectors** and check your batteries often in them. Safety starts at home.

Beautification Awards Guidelines

1. Open to only **paid members of MMTACA**
2. Have not won in the previous three years
3. Front yard gardens are judged on theme, color, and effort.
4. One winner and one runner-up from the **paid members** in MMTACA will be selected from each of the three neighborhood areas: Maize Meadows, Moors and Dales and Baby Farms.
5. Each winner receives a certificate and \$25.
6. This year an award sign sponsored by Norm Taylor will be posted in the winners' front yards.
7. Judging for **Beautification Awards** will be the **week of July 22**.
8. Committee members are open to residents in the MMTACA area. If interested in judging, please send an email to **MMTACA@yahoo.com** or call Roseann Hicks at 267-5008

Happy gardening! Thank you for making our neighborhood beautiful!

MMTACA Cleans Cooke Road Gateway

If you have been driving by the Cooke Road/Interstate 71 Gateway into our community and have seen a difference in the appearance, just **thank the volunteers** of MMTACA. On two consecutive Saturdays in June, neighbors came together and swept sidewalks, cleaned curbs and picked up trash along all ramps of the Cooke Road/Interstate 71 interchange. In conjunction, Clintonville residents have been cleaning and maintaining the area from the railroad tracks to Indianola Avenue. The combination of all volunteer work is slowly making a difference. Like the Clintonville resident volunteers that mow their areas, MMTACA is currently looking into **mowing** upkeep in between the times the city doesn't maintain the green space. More information will be available in the next newsletter. We need all the help we can get to continue to maintain the gateway into our beautiful neighborhood! To learn more about how you can participate in future clean ups, please contact **David Hardesty** at 614.267.2127.

All Families Welcome!!

RSVP: 267-5008

Suspicious Suspects

Just a reminder for residents to be very vigilant during the warmer weather; crime is always on the rise during the summer months. No one knows the normal activity of this neighborhood better than the people living on these streets.

If you see any activity that seems out of place or experience anything unusual at your home or your neighbors, **call the police**. If it looks out of place, chances are good that it might be. You will not have to give your name or address. The non-emergency number for the **Columbus Police** Department is **645-4545** and they need our help in protecting this community. Our Columbus Police Community Liaison is **Officer Brad White** and can be reached directly at **645-1402**.

News from our Community Liaison

The **railroad bridge** at Morse and I-71 is being worked on prior to being repainted. The "concrete work" is the first part of the process. Painting will be the final step. The Transportation Department is reviewing the **curb repair request** made for a number of curbs in Maize Morse. Many of the crumbling curbs are to be replaced by September 2008. The project was left unfinished after our 2006 Neighborhood Pride Program due to a lack of funding. The city has begun making curbs with white arrows in anticipation of the project. Ohio Equities has been hired by the Morse Rd. SID to maintain the islands and rights-of-way on Morse Rd. from and including the I-71 interchange to one block east of Morse Rd.

A housing code violation can be reported by calling **645-3111** or inputting it at www.columbus.gov and click on the submit or *Check a Service Request* site next to the 311 logo and proceed. However, a citizen may certainly call me to ask for more information or to have me input the request for him or her as people sometimes would rather not do that themselves. Though it is a fourth degree misdemeanor for any city employee to reveal the name of a complainant, a complaint may be filed anonymously. Some folks still don't feel comfortable calling or e-mailing themselves, so I am happy to do it. Folks are free to call me with any questions they have.

Resident of Maize Morse Tri Area

MMTACA LIST OF SKILLS SURVEY

We have printed a list of Teen Helpers. But a number of times residents will call MMTACA Board members asking for recommendations of neighbors in the area who have certain specialties. Do you know a good plumber? Electrician? Help with my computer? Help move or pickup

something ?

MMTACA hopes to create a list of skills or neighbor helpers and include it in our next newsletter and/or the neighborhood website. So if you have a special skill, please complete the survey below. Of course, completing this survey is completely optional. Thanks, neighbor!

Name _____ Home Phone _____

Cell Phone _____

Address _____ Email _____

Recommended by _____ Phone _____

Check all which apply or add your own:

- ☐ Include in list in newsletter
- ☐ Include in list posted on MMTACA website
- ☐ Voluntary
- ☐ Small fee
- ☐ Business cost
- ☐ willing to drive neighbor to doctor or store
- ☐ Have pickup truck to help neighbor
- ☐ Can assist senior neighbor with small odd jobs _____
- ☐ Willing to check on neighbor's home during vacation
- ☐ Computer help (hardware or software?) _____
- ☐ Plumber _____
- ☐ Electrician _____
- ☐ Painter (inside or outside?) _____
- ☐ Blacktop sealing _____
- ☐ Gardening tips _____
- ☐ _____
- ☐ _____

You can either email your form to **mmtaca@yahoo.com** or drop it in the basket at the **NATIONAL NIGHT OUT on Tuesday, August 5.**
