This is a recipe for an easy cake and it is very good. Doesn't have a name.

1 Duncan Hines Butter Golden cake mix (can use any yellow or white cake mix).

Bake according to directions on cake mix.

Let cool 20-30 minutes.

With a wooden spoon handle, punch holes one inch apart in the cake.

Pour one can of Eagle Brand Condensed milk over the top of the cake.

Top with 9oz. whipped topping and coconut.

## **Fron the Landscape Committee:**

This is a note to request that home owners please periodically add water to their outdoor shrubs. The sprinkler system is set up to water the grass only. No water from the sprinklers gets on the shrubs. Only the rain and whatever water we put on them gets to the shrubs. It doesn't take much, and it could be the difference between a healthy thriving plant and one that needs to be replaced because it has expired.. As the report of the board meeting shows, replacing expired plants can be very expensive and this cost is shared by everyone. So please, help your plants, help your neighbor, help yourself. A little water can go a long way to protect our beautiful neighborhood. Lets all pull together to help keep Grenden Fields beautiful. Thank You

In addition:

If you find damage that has resulted from the normal grounds maintenance (cutting, trimming, etc.) please let a board member or a member of the landscape committee know about it as soon as possible. We can't get problems solved if we don't find out about them until much later. Let us know and we'll do what we can to make it right.

Also:

The landscape beds in front of the units are part of the defined "common area." If the residents have items in these common areas they are the responsibility of the homeowner. If these items are damaged by the grounds crew, Grenden Fields Association is not responsible. It would be between the grounds crew and the homeowner.
