

Miller's Ridge Association General Meeting

The next Miller's Ridge Association General Meeting will be held on 19 June, 7:00 – 9:00 PM at the Summit Ridge Community Center, 7460 Scarlet Fire. These meetings help to shape our community and need your support. One of the topics that are up for discussion is the Marque and its makeover. We will need to vote on the color, restoration and rockwork. This sign will give others insight into what our community is like. Other topics to be discussed at this general meeting are community inventory and the status of our current available funds. Remember this is a general meeting that is open to all Millers Ridge residents. Come make a difference in our community.

Miller's Ridge Sign

Thanks to the many people that have helped with the restoration of the neighborhood sign. A special thanks to Tommy Adkisson, Commissioner Pct 4, for his attendance and support of the fund raiser dinner and to Frank Watson for catering this event. Also thanks to the people who donated items for the auction and those that supported the dinner and auction. \$700 was raised from the dinner and the auction raised \$350. The sign is near completion and the lettering should be mounted soon. We are still waiting for someone to come out and remove part of the dirt so that we can repair the front wall. A portion of the wall had to be removed when they were doing street construction.

Neighborhood Safety and Security

Just a reminder we need more people to sign up for the Cellular On Patrol, we have had several vehicles broken into in May. If we have more people patrolling our streets we will reduce these incidents. I know that several people are waiting to take the 8 hour class and it should be coming up again. For those of you that have taken the 8 hour class, you do not have to take it again, just come to the next general meeting and fill out the application, purchase the new signs and you will be ready to get started. We do need all the help we can get. It takes volunteers like you to patrol our streets. Times are flexible so you can be scheduled at your convenience to patrol. This is your neighborhood; let's work together to make it safe and crime free.

Barry Hunt
Millers Ridge COP Captain

Help reduce crime in our neighborhood by lighting up the dark parts of your home at night. This will deter the bad guys. Increasing the visibility to your home can also help to reduce crime. By maintaining your lawn, trimming and removing brush, large trees, and overhangs you will increase the view of your house from the street and reduce the hidden areas. Remember "Safety and Security starts at home."

General Neighborhood News and Information

After the rain that we have had many of the lawns have had a growth spurt.

Remember it is everyone's responsibility to maintain their yards. If there are vacant

houses next to you that have not been cut or you know of someone that might benefit from your generosity, please cut their front lawns. This reduces pest and keeps our neighborhood looking nice.

Many of the sidewalks in our neighborhood are in desperate need of repair or replacement. According to Tony Vasquez, Street & Drainage Manager, an inspection was done and a list was compiled of the needed repairs and maintenance. However, because of the limited personnel and funding, they must address hazardous situation as a higher priority and then move down the list. If there is an area that we have concerns with we can contact Mr. Vasquez with an address and they will investigate. If they find significant justification they will move the maintenance up on their list. Here is their contact information.
