

FPVNA General Meeting minutes 8/07/07— Annual Picnic & National Night Out

In attendance:

Board members: Judith T, Heather S, Amoreena H, Robb P, Lori & Steve

Approx. 40 members of the community

2 representatives from law enforcement

- Pot-luck style picnic was enjoyed by all, with hotdogs and drinks furnished by the association board
 - Nice variety of dishes brought by many of the community members – seemed like there was enough for all
 - Six local businesses supported the event with donations:
 - Butcher Boys – donated 100 hotdogs, and sold us another 100 at cost (we ended up not using extras, and Robb bought back)
 - Grocery Outlet – donated shopping spree that got us salad, cookies & condiments
 - Advanced Liquidators – donated plates & utensils
 - RMP & Associates – donated the cost of renting a truck to move tables and garbage cans from city warehouse
 - Taste of Asia – donated a gift certificate for dinner for 2
 - Analog to Digital – donated a \$40 gift certificate
- Board met with many members of the community to get input about the state of the neighborhood
- Community members filled out a survey about their concerns/interests; results will be tallied and reviewed at next Board Meeting
- The Neighborhood Police Officer (NPO) assigned to our area visited with residences and explained the new policing procedures
- The new Chief of Police also attended and visited with members about some of their concerns
