

MAY 2008 NEIGHBORHOOD UPDATE

The Front Entrance Project

Many thanks to Scott Vicknair for using his commercial pressure washer to clean the front entrance Pillars. Also thanks to the volunteers who showed up on the two Saturday mornings to clean and paint the front entrance to **OUR** neighborhood. We still have a little patching and touch-up painting to do but Phase One—Clean up is DONE!!

As a side note we REALLY appreciated those of you who took the time to roll down the window and say thanks to our volunteers! We appreciate those who waved! And lastly for those of you who drove through staring straight ahead not making eye contact—We understand not everyone can or will participate HOWEVER EVERYONE can show support!! Being a neighbor is an attitude and actions—not an address! SUPPORT YOUR NEIGHBORS working to make this a great place to live!

NEXT—PHASE TWO!! Planting!! We will be planting shrubs and flowers on Saturday May 10th from 7:00AM to 11:00AM - Bring shovels, gloves, and tools, the plants will be purchased Friday

Neighborhood Restrictions

The restrictions will be posted on the JCCA website:

www.neighborhoodlink.com/tp/jeffersoncort by the 10th of the month for everyone to review. This will become the new set of restrictions for all phases.

Safety and Security Issues

The Parish Council has approved 3 NEW Three Way Stop Signs in our area. #1 at the entrance of the Jefferson Cort Subdivision (Jefferson Dr and Adams Road); #2 at the intersection of Happywoods and Adams (by the strawberry patch); #3 at Happywoods and Club Deluxe (by Jeff's Gas). Please pay attention and use caution—it will take time for everyone to become trained accustomed to these new rules of the road.

Please report ANY crimes or suspicious activity to the Sheriffs Office and email the board at jeffersoncortboard@live.com so we can begin to keep track of any problems and let everyone know what is occurring in our area. We are in the process of setting up meetings with the Sheriffs Office to request increased patrols and obtain Crime Stats from this area.

School will be out soon, so please watch out for our kids at all hours and please slow down. We still have complaints of speeding in the neighborhood.
